

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	BALAJI INSTITUTE OF TECHNOLOGY AND SCIENCE
• Name of the Head of the institution	Dr.V.S.HARIHARAN
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	8978897333
• Mobile no	9963976545
• Registered e-mail	principal@bitswgl.ac.in
• Alternate e-mail	vsh1968@gmail.com
• Address	Balaji institute of Technology and Science, Laknepally (V), Narsampet (M)
• City/Town	Warangal
• State/UT	Telangana
• Pin Code	506331
2.Institutional status	
• Affiliated /Constituent	Affiliated
• Type of Institution	Co-education
• Location	Rural

• Financial Status	Self-financing				
• Name of the Affiliating University	Jawaharlal Nehru Technological University				
• Name of the IQAC Coordinator	Dr.R.Saravanan				
• Phone No.	8838528219				
• Alternate phone No.	9866050044				
• Mobile	9790517400				
• IQAC e-mail address	rsharankiruthiga@gmail.com				
• Alternate Email address					
3.Website address (Web link of the AQAR (Previous Academic Year)	https://bitswgl.ac.in/about/iqac/annual_reports				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://bitswgl.ac.in/academics/academics#academic_calender_main				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A+	3.37	2021	08/04/2021	07/04/2026
6.Date of Establishment of IQAC			12/10/2012		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
Balaji Institute of Technology & Science	"One day Basic Training Program on Human Rights"	NHRC	2022-23	75000	
8.Whether composition of IQAC as per latest			Yes		

NAAC guidelines		
<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File	
9.No. of IQAC meetings held during the year	3	
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> • If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
<ul style="list-style-type: none"> •Regular internal academic audits: . •Regular external academic audits: •ISO 9001:2015 Quality audits. 		
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year		
Plan of Action	Achievements/Outcomes	
<p>Promoting young faculty members to undergo Orientation Programme, Refresher Course, FDP, STTP, FIP, different workshops, etc. conducted by various HRDCs across the country.</p>	<p>The IQAC has created a forum for sharing information among the young faculty members regarding different courses conducted by various HRDCs across the country. Each stakeholder has been sensitized about the importance of such programmes/ courses as these courses open up vistas of new knowledge so important to nurture the quality culture of the college.</p>	
Organizing International and	The IQAC, is organizing	

<p>National Webinars/Seminars/Conferences/Workshops on various relevant issues.</p>	<p>associate partnered with Industries, TASK, Educational Consultancies to organize the First International Webinar Series on emerging Technologies and many students are participated in this webinar series as an invited speaker and panelist in the penultimate session and presented his papers</p>
<p>Promotion of research opportunities for faculty members</p>	<p>keeping in mind the suggestions of the NAAC Peer Team for the creation of an ecosystem for research activities in the college the IQAC decides to promote research opportunities for the faculty members of the college. The IQAC has created a lobby for inter-faculty discussion on various research avenues. As a result more than 35 research papers, a good many in various reputed national and international journals, have been published by different faculty members of college during the current assessment year.</p>
<p>Promotion of inclusiveness and better environmental practices in the College such as greater adoption of solar energy, Solid Waste Management and Water Resource Management.</p>	<p>As a result of the IQAC initiative towards promotion of inclusiveness and better environmental practices in the college, strong emphasis has been laid on the greater adoption of solar energy, solid waste management, and water resource management. The college has signed an MoU with a registered NGO, having two years of experience in waste management, for managing the solid wastes of the college.</p>
<p>13. Whether the AQAR was placed before statutory body?</p>	<p>Yes</p>

- Name of the statutory body

Name	Date of meeting(s)
Board of Governors	27/12/2022

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2022-23	19/01/2023

15. Multidisciplinary / interdisciplinary

Balaji Institute of Technology and Science, Narsampet, established in 2001 by Maheshwara Educational Society is situated in 10.05 acre campus on Warangal-Narsampet Road at a distance of 25 km from Warangal. BITS is a self-financing institution approved by AICTE, New Delhi and affiliated to JNTUH, Hyderabad, Telangana State. The Institute has first-rate infrastructure with a built up area of 19183 Sq.Mts. 24 institute buses shuttle everyday enabling students' conveyance from Warangal Urban & Rural Districts. 400 students are accommodated in separate hostels for boys and girls. Staff quarters and a well furnished guest house exist on the premises. Academic blocks consist of lecture halls, state-of-the-art laboratories, computer centres, staff rooms and spacious seminar halls. Facilities for Indoor games with gym station, fields & equipment for outdoor sports, and other recreational facilities are provided. An open-air auditorium, Canteen, ATM, Saraswathi temple, general stores and other amenities exist in the premises. Round the clock surveillance by Security Guards is available. The institute is a member of

DELNET, NDL and IEEE XPLORE to access e-books and journals. Library is automated through ILMS, OPAC and NEWGEN software. The Library with an area of 1200 Square Meters and seating capacity of 300 persons has a well stockpile of 7574 titles, 59540 volumes which include the SC/ST book bank scheme, 96 national, international, 1200 e-journals & 6 Daily News papers. The institute executes the academic calendar of JNTUH, Hyderabad. Wi-Fi enabled campus and Roof top grid connected solar plants

Vision

To be a centre for excellence in preparing the graduates professionally committed, intellectually adept and ethically balanced with high standards by imparting quality education with

international standards to excel in their career to meet the challenges of the modern world and adapt to the technologically changing environment.

Mission

M1: To strive hard to produce technically trained human resources to serve the present and future global needs by providing quality education.

M2: To provide value based training in technological advancements and employment opportunities to students by strengthening institute's interaction with industries.

M3: To disseminate knowledge of need based technical education, innovative learning and research & development with holistic approach.

Institution is ISO 9001:2015 certified in the year 2017. Accredited by NAAC with A+ grade in the year 2020 and Five UG courses i.e CE,EEE,ME,ECE& CSE are accredited by NBA in the year 2022 for Three years with effect from July, 2022. Membership with professional societies like ISTE, IEEE, IETE, ,IAENG, SAE INDIA, CSI etc,. MOUs with industries to assist students to undergo internships, Industrial tours and to carryout live project work. College follows the principle of Outcome Based Education (OBE). Subjects are allotted to teachers based on their specialization and experience Mandatory adiscitious courses like Environmental Science, Gender Sensitization, Human Values, Disaster Management and Professional Ethics are imparted to students as per JNTUH curriculum. Feedback from faculty, parents and alumni is collected and utilised for overall development of personality of students and for subsequent year planning for better performance of the students.

16.Academic bank of credits (ABC):

1..Balaji Institute of Technology & Science is a constituent college to Jntu Hyderabad and completely adheres to the curriculum framework and syllabi as approved by the University from time to time. The College is completely prepared to implement Academic Bank of Credits framework as approved by the University. The college already has student management system (ERP) in place where all student details including their internal assessment, attendance, continuous internal evaluation and examination related details are entered and the same is then synced with the University student portal so that there is a seamless flow and access of all student related data between the college and the University. Thus as and when the University adopts the ABC, the College has all necessary infrastructure in place to implement it. Further the college already offers elective course where students chooses which courses they want to opt so college

will be able to adapt to the multiple entry, exists and collaborations with other college, University and international institutions regarding the same.

2. The faculty of the college have completely migrated to the blended mode of teaching-learning pedagogy where the faculty provide tailor made solution to their students and have completely implemented the learner-centric approach. Faculty not only provide relevant online and offline resources to the students but also develop and deliver content whenever there are gaps in the understanding of students in addition to regular classroom teaching learning. The faculty of the college is constantly engaged in the creation of online content including text material, instructional videos, and demonstrational videos, of latest experiments, workshops and remedial and tutorial sessions to help the students achieve their optional best.

17.Skill development:

Soft Skills Development: Soft Skills training gives a comprehensive understanding of the true perspective of application of skills as expected at the present work scenario. Therefore, examples, case studies, and exercises are tailor-made to suit the needs of students of Patrician college have been provided.

Objectives:

To develop accuracy - this training aims at facilitating and teaching Soft Skills

To provide realistic examples to students. In addition to this, dialogues used in everyday life, exchanges and responses using case studies as examples are given to make a better living at industry and world

To allow students to place new information and skills development into a larger context

The students can make use of this training to understand the essentials of language skills. Understanding Different Speech Sounds,

Learning Pronunciation, Speaking Without Errors, Building Conversations, Understanding Non-verbal Communication, Formal and Informal Communication, the right Etiquette for Public Speaking and Business Presentations, Personality Development and Building Self Esteem, Team Building and Group Discussion,

Facing Different Types of Interviews with Confidence and Preparing for and Delivering Successful Business Presentations are some areas

students become familiar with.

To involve the students in practical learning to get real-time industrial experience and acquired knowledge from industry interactions with R&D and through the assignments more interesting. Execution of MOU (Memorandum of Understanding) at our institution : MOU's with various organizations will be helpful to bridge the gap between academic and industry. Some MoU's are listed below: With the support of "CISCO" as Certification partner conducted training programs in our college.

Students have actively participated and also got certified. With the support of "TASK" as skill development partner, many seminars and workshops for students are successfully conducted. With the support of "SWECHA" a non profitable organization as a partner works towards enlightening the masses with the essence of Free Software and to liberate knowledge to the students. Swecha conducted different workshops and seminars.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The promotion of Indian arts and culture is beneficial not only to the country but also to individuals. The institution, on the other hand, commemorates significant dates and hosts activities in regional languages to instill a sense of regional pride. Republic Day and Independence Day, Ambedkar Jayanthi, Babu Jagjeevan rao jayanthi, National unity day, college level youth festival are the examples of celebrations where students are addressed in their native languages. Engineering day and Teacher's Day are two of the most important days of the year. Women's Day is prominent day that are commemorated with cultural events. Sankranti Traditional Day - Rangoli competition, durgapooja, Bathukamma festival, Celebrations, Pre-Christmas, are the noted festivals that promote the national integrity and awareness of Indian National and Regional languages, as well as the culture associated with them. In BITS all religious festivals and observations are given equal importance. National commemorative days, such as Constitution Day and Yoga Day, are also observed.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All these programmes are offered as outcome-based education (OBE) which is designed keeping in mind the national and global requirements. The Institute has implemented outcome-based education with clearly stated Programme Outcomes, Programme Specific Outcomes and course outcomes. All courses are designed with outcomes centred on cognitive abilities namely Remembering, Understanding, Applying,

Analysing, Evaluating and Creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so those students contribute proactively to economic, environmental and social wellbeing of the nation. All course syllabi have been designed with due consideration to social needs at large so as to apply the spirit of NEP

20.Distance education/online education:

Since 2019, educational institutions in the country have employed digital platforms for engaging classes, conducting conferences, meetings etc. Keeping aside the negative impact of lack of face to face learning, online education has broken the geographical barriers creating interaction of experts and students from distant locations. Opening up of the educational institutions after pandemic has paved the way of adopting hybrid mode combining online and offline resources. This can be considered as the new normal, which is envisaged in New Education Policy as well. Due to the experience gained during the closure period of Covid-19, access to online resources by educators and students will not be a constraint anymore. As a part of course curriculum, MOOC courses are offered which promote the blended learning system of learning

Part B**CURRICULAR ASPECTS**

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum design and development process at BITS remained a continuous and inclusive. The revision of curriculum will make them relevant to the local/national/regional/global developmental needs. The curriculum is divided into eight categories which covers various courses viz. Humanities & Science including Management Courses, Engineering Science, Basic Science, Professional Core, Professional Electives, Open Electives, Mandatory Courses, and Project Work. Curriculum design began with strong focus on teaching-learning process to meet the desired Graduate Attributes. Accordingly, several curricular review meetings were conducted with the stakeholders followed by the meetings of concerned Board of Studies and the Academic Council. Course Outcomes were developed for each course by the domain experts from department thus making course effective in terms of delivery and assessment. The H&S courses not only help the students to develop critical thinking, problem solving, and communication, both oral and written but also achieve the Programme Outcomes, POs, which were not integral part of the curriculum previously. The professional courses ensure that the students always up to date and learn cutting edge technologies. The curricular requirements help the students to continue to make a meaningful contribution to their development and contribution to welfare of mankind.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of each semester, University notifies an academic calendar for all the programs, which contains the date of commencement, last working day of the semester, Internship schedule and dates for semester-end examinations. BITS follows the calendar issued by the University strictly and plans all its activities including the conduct of Continuous Internal Evaluation (CIE). The institute prepares an institute-level calendar and subsequently every department prepares its calendar. Institute calendar of events includes details like the total number of working days and holidays,

CIE dates, dates for the Institute's flagship programs. The department calendar comprises guest lectures, workshops, industrial visits, other co-curricular and extra-curricular activities. The academic activities, CIE, and all activities are conducted in adherence to the calendar of events except unforeseen circumstances. The academic calendars help faculty members to plan their respective course delivery research work academic and co-curricular activities. Department heads closely supervise and monitor the completion of the syllabus as per the lesson plan prepared by faculty members. Syllabus coverage for each CIE is decided well in advance and faculty members adhere to it. Internal Assessment tests (IA), assignments, quizzes, and seminars are part of the Continuous Internal Evaluation (CIE) of students. There is a well-defined process for the conduct of CIE as per the calendar of events.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Institution strongly believes that addressing crosscutting issues relevant to Gender, Environment and Sustainability, Human

Values and Professional Ethics have a direct impact on achieving the sustainable development of the nation. So the institution takes a continuous effort in integrating cross-cutting issues to be an integral part of the curriculum to achieve holistic development of the students and to create a positive vibration on their study and societal commitment. Gender Sensitization Lab: The course emphasizes the basic value system of Indian culture, instills in the young minds, not only gender equity but also the traditional honor and pride bestowed on women in accordance to Indian Ethos, and develops a sense of appreciation of women in all walks of life. Apart from this course, the institution upholds gender equity by providing equal opportunities for both the genders in terms of admission

Intellectual property Rights: Purpose and function of trademarks, acquisition of trade mark rights, protectable matter. New development of intellectual property: new developments in trade mark law, copy right law, intellectual property audits. Environment and Sustainability: Institute's strong community orientated work culture is based on the sustainable way of life, that involves integration of water quality, air quality and healthcare, innovation and human values.

Human Values and Professional Ethics: The curriculum has the following compulsory courses in programs specially focused on the development of human values and professional ethics: Co-curricular Activities

Constitution of India

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The chief objective of our educational institute is to strive for excellent education. The students are from different domicile

and different educational scholastic ability. Considering this, in the beginning days of academics, we identify the learning level of the student as slow learner or advanced learner. Prior to the beginning of classes, the college conducts induction programme to the freshmen through which students will be able to engage their passions, challenge their beliefs, and continue to grow intellectually, socially and emotionally. Principal, Professors, and senior faculty make students aware of their goals and objectives, code of conduct, classroom attendance, examination & evaluation system and the amenities available in the college. At the entry level, Class Teachers and Mentors identify slow and advanced learners through students' performance in the previous examination (30% weightage), aptitude test (50% weightage), and oral presentations (20% weightage).

1. For slow learners' institute provides: Remedial teaching and bridge courses are conducted with an aim to improve the academic performance of the slow learners. This practice helps the struggling learners to improve subject knowledge and helps them to compete with their peers.

2. Measures in force for advanced learners: Competent students are encouraged to take up internships at reputed organizations. Students are encouraged to enroll and learn through MOOC Programs offered by the world's leading institutions. SWAYAM -NPTEL online courses. Seminars/Conferences/Workshops and Presentation of Research

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute adopts student centric methods to improve student involvement in problem solving methodology and experimental & participative learning. In this connection, role plays, discussions, debates, laboratory experimental learning, mini projects and case studies are held regularly.

1.Role Plays: Role play helps our students to learn and try out the experience in a play style.

2.Discussions: Discussions in many of the subjects make the students to think wide and enable them to express their opinions and check their current knowledge. Discussions are held to test their proficiency in soft skills, managerial communications, and business adoptions etc.

3.Debates: Debates are conducted in many of the subjects in which students are required to come prepared with different opinions & thought processes.

4.Laboratory experiential learning: Technical education is always justified with the help of practical knowledge. Thus from the first year, students are exposed to all the laboratories such as physics, chemistry and English. Later from their second year, students attend core department labs which give different levels of exposure.

5.Mini projects: To enhance the practical knowledge & innovative approach, students are encouraged to carry out Mini projects from III year. Personal attention will be paid on each team member.

6.Case studies:Theoretical knowledge and extensive practical knowledge through case studies is obtained by the students in subjects

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The role of Information and Communication Technology (ICT) plays a wider role in teaching-learning activities like, content creation, administrative, formative-summative assessments, student's performance tracking, trainings, knowledge management and knowledge organization. In addition, the technical features of considering the recent major shifts in the learning paradigm, these innovations were deployed in an ongoing, real time basis in our educational campus. Balaji institute of technology and science encourages faculty to use ICT tools for effective teaching. we are enclosing the list of teachers using ICT for effective teaching with learning management systems, E- learning resources and techniques. The Institution supports our faculty to strive to meet the principles of good practice in an effort to provide the best learning experience to their students. The faculty are encouraged to cultivate an attitude towards teaching that include encouraging good communication between teachers and learners; encouraging interaction among learners; providing opportunities for active participation of learners; providing timely and appropriate response and constructive feedback to the learners; emphasizing time on task completion; motivating learning by communicating expectations; encouraging classroom participation and classroom discussion; conducting periodic formative assessment; enhancing metacognitive strategies; encouraging collaborative teaching and collaborative learning; usage ICT and Blended Teaching; and focusing on lifelong learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has transparent and robust evaluation process in terms of frequency and variety. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Principal holds meetings of the faculties and directs them to ensure effective implementation of the evaluation process. At the entry level, admissions are given purely on merit basis and the lists of merit students are displayed on Notice board. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college and University level. Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Unit tests are conducted regularly as per the schedule given in academic calendar. The weightage for the unit tests varies as per the concerned faculty. The performance of the students is displayed on the Notice board and communicated to the students. Personal guidance is given to the poor performing the students after their assessment. Students appearing for Second /third year are asked to deliver theseminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation. For transparent and robust for internal assessment, the following mechanisms are conducted Internal Examination Committee. • Question Paper Setting • Conduct of Examination • Result display • Interaction with students regarding their internal assessment

File Description	Documents
Any additional information	View File
Link for additional information	https://bitswgl.ac.in/examination/cie

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

There is complete transparency in the internal assessment. The criterion adopted is as directed by the university. Redressal of grievances at institute level: 1) Departmental Level: The continuous evaluation of students is carried out by faculty regarding theory lectures, labs, assignments, unit tests. The midterm marks are allotted based on defined strategies and displayed on notice board. Query if any is discussed with faculty and HOD. 2) College Level: The Institute appoints a Senior Supervisor for smooth conduction of examinations of JNTU. If students are facing any problems, they are solved by the institution Chief Examination Officer appointed by the university. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the university by examination section. 3) Redressal of grievances at University level: The queries related to results, corrections in mark sheets, other certificates issued by university are handled at JNTU examination section after forwarding such queries through the college examination section. Students are allowed to apply for revaluation, recounting and challenged evaluation by paying necessary processing fee to university if they are not satisfied with the university evaluation through college.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute publicizes the Vision, Mission and Programme outcomes of each department to all the stakeholders namely students, parents, faculty, alumni members, governing body, employers, professional bodies. Department: Vision, Mission and Programme outcomes statements are displayed in all the classrooms, laboratories, staff rooms, corridors and offices of the department including department notice boards. Curriculum: Vision, Mission, Institution Website: Vision, Mission, Programme outcomes and Course outcomes are prominently published in the department's home page of the college website which is frequented by all stakeholders of the programme. In addition to that, the dissemination of the department's vision and mission statements is done in the following process. Students:

Awareness about the department Vision, Mission, Programme outcomes is done by displaying them on the notice boards and in the classroom for the students. They are also explained at the time of joining the institution as part of an induction programme. Parents: Parents are explained about the department's Vision, Mission, Programme outcomes and Course outcomes during the induction programme organized at the time of joining their wards in the college. Programme outcomes and Course outcomes are also explained to them during Parent-Faculty meetings. Faculty and Staff: Staff meetings will be conducted for newly joined faculty and staff members to induct them into the institution and the department during which the mission and vision of the department are also explained. Alumni Members: Vision, Mission, Programme

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

In Outcome Based Education, assessment is done through one or more than one processes, carried out by the institution that identify, collect and prepare data to evaluate the achievement of program outcomes, Program Specific Outcomes and course outcomes. PO Assessment Tools: Assessment tools are categorized into direct and indirect methods to assess the Program Outcomes, Program Specific Outcomes and Course Outcomes. (A). Direct methods: Display the students' knowledge and skills from their performance in the MID Examinations, Lab Examinations, end-semester examinations, presentations and classroom assignments etc. These methods provide a sampling of what students know and/or can do and provide strong evidence of students learning (B). Indirect methods: Preparations are gathered to know how well students are achieving/ achieved a learning outcome. The PAC assesses opinions, thoughts about the graduate knowledge and skills. As it is a complex process, the percentage of attainment is kept at low percentage. Direct Assessment Direct Assessment of POs for a course is obtained by mapping the average value of Course Outcomes attainment with the mapping of the target or expected POs for the particular course. Indirect Component: The indirect component of PO contribution is

obtained from different surveys Graduate Exit Survey Alumni Survey Employer Survey

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institute has created an ecosystem for Research and Innovation by recruiting & developing desirable human resource, taking

initiative for creation & dissemination of knowledge and establishing state of the art infrastructure. The details are as under: 1. Promoting Innovation: The College has created an Entrepreneurship Development Cell (EDC) and Institutional & Innovation Council (IIC) for promoting innovation & entrepreneurship activities. The formation of IIC is as per the guidelines of MHRD & AICTE. 2. Technology Business Incubation : College has also established TBI (Technology Business Incubation) with the support of DC-MSME Govt. of India. Institution has initiated various activities like pre-incubation support, startup initiatives & training programs. EDC organized several EAC (Entrepreneurship Awareness Camp) programs. 3. Center of Excellences: The faculty & students are encouraged to take up research & developmental activities by utilizing the existing resources. 4. Human Resources: The institute recruits dynamic & highly qualified faculty to mentor and channelize the young minds. Institute has taken an initiative to encourage the faculty members to pursue their Ph.D 5. Research infrastructure: The College has a Research Cell to motivate the faculty members to write research projects and submit it to various supporting agencies like DRDO, DST, AICTE, DBT, SERB, UPCST, etc. 6. Collaborations: College has signed MOUs with few industries to promote real-time project development.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The vision of the institution management is to constantly improve the students learning environment by providing the required infrastructure with modern buildings, technology enabled classrooms, labs, library, play grounds and gymnasium Teaching Learning Process The purpose of the teaching-learning process at the Institute is student-centric to develop the requisite knowledge, skills, attitudes and habits of students Classrooms and Seminar Halls The institute regularly updates the physical infrastructure to meet AICTE / JNTU Hyderabad requirements. In Overall, the college has 44 Technology Enabled Classrooms with LAN/Wi-Fi facility, LCD projectors 43 spacious laboratories for all the Five UG and PG Computing Equipment Round the clock internet facility with 1000 Mbps speed is available in the college campus with modern computing

facilities Library The college has an automated library with 59540 volumes of books on different disciplines. Digital Library used by students and faculty to access the required content. Generator Besides a standby power generator, 200 KVA generator is available in the campus to take care of the occasional power shut down due to maintenance Facilities for the disabled students The campus has ramp to facilitate for the physically challenged persons to move by the wheel chair, without any difficulty

4.2 - Library as a Learning Resource**4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

BITS has taken an initiative to move its library towards paperless functioning through the use of automated library management software. Library automation enables acquisition, cataloguing and circulation. The Automated Library System used by the institute is an Integrated Library Management System (ILMS) with interoperability means/interfaces for different kinds of systems at the institution level. It also means interfaces for similar systems at the inter organizational level, as a result of which resource sharing and collaboration can now be taken to a whole new level. An ILMS is

usually comprised of a relational database and software to act on that database and two graphical user interfaces. Most of the ILS software functions in discrete programs called modules, which are then integrated into a unified interface. Examples of modules include: acquisitions, cataloguing circulation (lending materials to patrons and receiving them back), serials (tracking magazine and newspaper holdings), and the OPAC. Each patron and item has a unique ID in the database that allows the ILS to track its activity. NEW GEN LIB is an Integrated Library Management System developed by Verus Solutions Pvt Ltd NEW GEN LIB version 3.1.1 was released in March 2006. NEW GEN LIB was declared Open Source Software under GNU GPL Licence by Verus Solutions

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The Institute is committed to providing state-of-the-art IT infrastructure and services. With the growth of users, IT services and increasing internet bandwidth demand, the institution has scaled up the switching capabilities and implemented latest managed through optical fibre cables and WiFi access. The Institute has high-end core switches and servers. The upgradation of computer systems is taken up on periodically. The printers and scanners are also upgraded with new additions to the laboratories, office, library and departments. The college annually purchases/upgrades and replaces or adds a fleet of computers, hardware's, etc as per the requirements. The IT infrastructure is continually upgraded. The bandwidth has been progressively increased from 200 Mbps to 1000 Mbps. All the seminar halls have been installed with LCD projectors. Biometric scanner based attendance capturing system is upgraded for faculty members. Description on IT facilities There are 02 servers with Xeon E-5 version-2, 8 GB RAM, 1.0 TB hard drive, which are served as Domain Controller, student biometric server, faculty biometric server and applications servers. Back up device-2TB for critical server back up 850 desktops are provided to all department labs with configuration of Intel core i3, i5 (2 nd , 4th and 7th generation) 4GB and 8GB RAM, 500GB and 1 TB hard disks with LAN connectivity. 25

Laser jet printers, 3 Xerox centers and 3 scanners are provided across the campus for academic and administrative purposes. Wi-Fi 25 Extendable Wi-Fi access points are placed in various places like library, corridor, Labs, Hostels, Canteen and Outdoor. Wi-Fi access is provided to all the students

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council committee is the appropriate platform at BITS college for enhancing the capabilities of student community. The student community through this committee is aspiring to

promote leadership and citizenship among student community. It builds and encourages friendship across grade system in the college and exhibits as role model to encourage all students to strive for their highest potential. **Class Representatives:** all classes have two students designated as class representatives. They are responsible for representing any issues related to academics/non-academics to concerned HoDs/Class teacher. interacts with class representatives' atleast once during the semester. **Student Clubs (department level):** departments organize the engineering activities through student clubs. Each club is run by students. Clubs have well defined structure & assigned roles. **Cultural and Sports Committees:** Students have strong representations in all cultural and sports committees. They help in organization and management of events. Major events include annual sports competition and Annual cultural event **Hostel Administration:** Students provide strong support in the administration and management of hostel affairs. Each hostel has students in its Mess Committee. They are involved in all major decision making aspects related to students. **Placement Committees:** student members are important components in placement activities. Student members are being involved for coordinating the activities during placement drives at campus. **Technical Events:** student members are part of organizing committees for all the engineering activities at department/institute level. Some of these activities include conferences, coding & project contests, technovation, quiz competitions, student club activities etc.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The college has a registered alumni association. The Alumni Associations functions through two modes. (i) as an independent organisation, (ii) as an association endorsed by the College. The independent alumni association meet as and when necessary arise. Principal and senior faculties are invited to participate to offer suggestion to improve the welfare of the college. Alumni association endorsed by the college meets once in a year. Principal being the chief coordinator convene the meeting and present the immediate needs of the college, while reeving comments and suggestions from the alumni for the development of the college. Prominent alumni facilitate the prospective students for employment generation. Beside the alumni association of the college. Certain old departments have their own alumni set up to promote their department interest. Alumni have contributed in kind and cash for the development of the department and college. Steps are being implemented to strength the alumni association to play an active role in the development of the college

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Balaji Institute of Technology & Science is established in 2001 by "Maheshwara Educational Society", with the concept of providing quality Technical Education, Professional development and Service to Humanity by a service oriented, qualified and experienced professional Doctor well versed in the medical field. "Education is the biggest service to humanity" is the motto of our Society. The society believes in developing quality and standards in education through Balaji Institute of Technology & Science which is committed to the principles of better quality service and to promote value based education. Vision To be a centre for excellence in preparing the graduates professionally committed, intellectually adept and ethically balanced with high standards by imparting quality education with international standards to excel in their career to meet the challenges of the modern world and adapt to the technologically changing environment. Mission M1: To strive hard to produce technically trained human resources to serve the present and future global needs by providing quality education M2: To provide value based training in technological advancements and employment opportunities to students by strengthening institute's interaction with industries. M3: To disseminate knowledge of need based technical education, innovative learning and research & development with holistic approach.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

In the decentralized set up adopted in the Institution, the

Principal, who is the academic administrative head monitors the overall functioning and has powers for academic, administrative, financial issues for the growth of institute in line with the vision and mission of the institution. The Institute has decentralized its operations and has delegated authority at various levels to ensure good governance. Incharge of Internal Quality Assurance Cell (IQAC) monitors and streamlines Academic Quality initiatives like academic audit process and faculty performance appraisals. Structured delegation of authority responsibilities is entrusted to faculty through regular staff meetings to encourage the academic leadership among the faculty within subject disciplines. Faculties are involved to participate through committees to manifest their administrative skills with professional responsibility and accountability and also guide student committee members to learn their leadership qualities. This ensures their acumen in decision-making with regard to organizing academic, administrative, co-curricular and extracurricular activities conducted in the course of the academic year. The Heads of Departments have adequate autonomy to monitor the functioning of the various departments for taking important decisions, feedback from all stakeholders is taken into account. The office administration of the College is monitored by the Administrative Officer, Manager, Superintendent, Head Clerks, Senior Clerks, Junior Clerks

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Various committees have been framed in our college in order to redress the problems and grievances of the students. For every committee, a senior faculty member was designated as Chairman/Convener. Every committee has been defined the roles and responsibilities. It is the responsibility of the convener to convene the meeting as frequently as possible among the members to discuss the issues related to the responsibilities assigned to the concerned committee. Based on the nature of the problems arise, the convener will take necessary remedial actions. If the remedial action requires attention of the Principal, Chairman and Management, then it will be immediately brought to the notice of them for necessary action

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Institute is managed by the Governing Body (GB), a decision making body which steers direction of the institute in a progressive mode. The members of the GB discuss and decide policies and action plans for fulfillment of the vision of the institute. The Principal is the academic & administrative head who monitors the overall functioning and has powers for academic, administrative, finance and institute's growth. Governing Body of the college meets once/ twice in a year in order to discuss various issues and aspects related to the development of the college and its academic standards. It includes considering and approving the institution's strategic plan which sets the academic aim and objectives of the institution and identifies the financial, infrastructural needs and staffing strategies. It chalks out a roadmap in order to achieve the goals of the institute. Governing body ensures that the institute follows Service rules, Recruitment, Promotional policies and Grievance Redressal Mechanism according to the norms of University. Co curricular affairs are looked after by R&D, Library, Training & Placement and EDC, Industry Institute interaction cell. Extracurricular programmes are organised by coordinators of NSS & Cultural Committee. Sports are conducted by Physical Director. IQAC receives recommendations from all HoDs regarding all issues for student, faculty development and overall development of the institute. The administrative wing is headed by Administrative officer who takes care of Establishments, Accounts, Hostels, Canteen, Transport, Security & Dispensary

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal system is one of the essential significant features for providing quality education. Performance Appraisal System includes Self Appraisal for both teaching and non-teaching staff. Performance of the teaching faculty in professional development activities is evaluated through their performance against important Academic aspects such as Academic workload for

eachsemester, Technical guidance in students' projects, Initiatives and participation in various activities like seminar, workshop, FDP: Faculty Paper and Journal publications, Conferences attended, Pursuing higher studies, Consultancy projects, Ongoing and completed Sponsored Research projects, Honors/Awards/medals received, Professional body Memberships, Value added courses, Textbooks authored, Editor/ Journal Reviewer, Resource person, Coordinators at college and department level, Role in university as panel member, Service to institution and any other achievements. Contribution towards Learning Resources Development at Institute, innovation in teaching, and efforts for Lab Work/Tutorials and University related work is also taken into account for faculty appraisal. Institutional governance responsibilities, Faculty interaction with outside world, Involvement of faculty in Non - academic issues such as NSS & Co curricular & Extracurricular activities and Association activities are also considered for appraisal of faculty. For effective evaluation of the faculty at the institute, the other parameters considered are students' feedback, Mentoring, punctuality, preparation, presentation skills, Management of discipline and control, subject knowledge and Approachability. It also involves the reviews and comments of the HOD, team work and contribution to the department, Instruction compliance, Commitment to the Department and Institution, Mentoring ability and Organizational skills in conducting events

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institutional strategies for mobilisation of funds: Admissions are made as per Telangana Government Higher Education norms. Fees amount is collected from each student as per the norms laid by the Fees Fixation Committee of State Government. The amount towards fee collection is deposited in Public sector banks as short term fixed deposits. The amount of fees and the interest earned from the

deposits are utilised for the development of the college and recurring expenses like salaries, electricity maintenance, vehicle fuel, infrastructural maintenance etc. Alumni association fund is also utilized towards recurring expenses. Institute has applied for grants from AICTE, DST, and other organizations under MODROBS, to purchase the latest laboratory equipment, updated version of the software and others. Grants and sponsorships received from various organizations including Professional Bodies to conduct Symposiums, Seminars, National and International Conferences and other similar activities. The innovation activities like students' project work and research activities of students and faculty are supported b Institute. Institute also supports for Green infrastructure development in the college atmosphere and for waste management activities. The College also gets various sponsorships from industries, private firms, and individuals for the development of laboratories and library in the form of models, equipment, books etc

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC, which plans and monitors academic excellence was started in 2012 and has been functioning to fosters various of activities to make everyone aware of quality assurance strategies and processes. For every course, comprehensive plan comprising module wise planning of lectures and practicals / tutorials, list of books and assignments, beyond syllabus activities, study materials etc. is prepared by faculty. As per the suggestions by IQAC, the plan is further streamlined and strengthened every year with incremental improvements by incorporating required components The initiatives which have contributed significantly for quality improvements in the institution are furnished below: The institution envisages progressive development. The institution intends to be a learning organizationThe institution through its IQAC makes rigorous andcontinuous efforts to study, analyze and improvise every strategy, activity, process and procedure in all the domains of the institutional activity with a view to achieve, sustain and enhance quality with a aim to achieve excellence. Continuous feedback,

Academic Audit, Feedback from alumni, industry, parents, students, experts and the community helps it to establish quality culture. The quality is maintained at every stage be it academics, administration, infrastructure etc

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The quality management system is rolled out by IQAC cell to ensure quality in all the activities. Following procedures are followed to achieve continuous improvement in the Academics: Faculty of each Course prepares a detailed Lesson plan at the beginning of the semester, according to the syllabus framed by the JNTUH for the effective completion of the syllabus. Each faculty maintains lecture schedule in attendance register to track the syllabus coverage and to record the students' attendance. Attendance Registers are verified and attested by the HOD and Principal every month. Academic calendar is prepared during the commencement of the academic year. Attendance of the students is monitored keenly and students falling short of required attendance percentage are informed and their parents are alerted of their wards attendance immediately. Class committee meetings are held periodically to identify the difficulties of Teaching learning process and to rectify immediately. The output of these actions are measured using different parameters such as pass percentage in the University exam, Number of students placed, Number of students opting for Higher studies, etc., Internal Academic Audits are conducted periodically by the Internal Academic Audit team to ensure the follow up of the system and schedule by every department

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Balaji Institute of Technology and Science undertakes several measures and programmes to promote a culture of respect and equality for female gender and also to provide opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right. Women occupy senior positions such as Head of department and Deans. They are also nominated as members of Internal Quality Assurance cell, Board of Studies and Board of Management. A women grievance cell, women empowerment cell and prevention of sexual harassment cell has been set up to raise awareness and promote gender equity. Various programmes are organized by these cells to promote gender equality.

Some of the programmes organized during the various academic years include

- Workshop on Psychological Motivation for girls

- Workshop on Women Academic Managers: Challenges & Approaches
- Yoga training for Women
- Self defense training programme for women
- Capacity building of Women in Higher Education
- Grooming Women on health and hygiene • Women's Day Celebrations

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Balaji Institute of Technology and Science follow the proverbial saying, 'Prevention is better than cure', meaning thereby, it is better to alleviate something hazardous or deleterious from happening than it is to deal with it before it gets cropped up and become intense.

Therefore we follow the dictum of '3Rs'- Reduce, Reuse and Recycle. Form the health, hygiene, environment and aesthetic point of view,

the college ensures proper disposal of waste generated in the campus. Solid waste is segregated as degradable and non-degradable and are handed over to the concerned authorities under MOU as a part of Clean and Green campus.

Each block and each floor is provided with dry waste collecting bins every day and collected, the same is transported to the concerned places and segregate and hand over to concerned authorities.

Vegetable waste and food waste is treated and converted into vermi compost and used as manure. The cow dung available in the cattle field in the campus helping the vegetable waste to manure in course of time for regular use.

The college is striving to be a plastic free zone and in process of vertical garden with the available waste pet bottles and making the campus ecofriendly and greenery to reduce global warming. UPS batteries are refurbished by the sellers. In chemistry laboratory, organic solvents are collected in a special container -chemically compatible, securely fitted with a tight-fitting lid and labelled as hazardous waste and safety aspects before utilizing them.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated on the campus with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony. The institution believes in equality of all cultures and traditions as is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerancetowards cultural, regional, linguistic, communal socio economic and other diversities. The collegestaff & students jointly celebrate the cultural and regional festivals, like New-year's day, teacher's day, orientation and farewell program, Induction program, oath, plantation, Women's day, Yoga day, and also festivals like Ayudh Pooja celebration, Ganesha Festival. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

India is a vast country with many languages, subcultures, religions and ethnic diversities governed and guided by the Constitution irrespective of caste, religion. Balaji Institute of Technology & Science sensitizes the students and the employees of the institution to the constitutional obligations about values, rights, duties and responsibilities of citizens which enables them to conduct as a responsible citizen. The institute vision & Mission Vision To be a centre for excellence in preparing the graduates professionally committed,

intellectually adept and ethically balanced with high standards by imparting quality education with international standards to excel in their career to meet the challenges of the modern world and adapt to the technologically changing environment. Mission M1: To strive hard to produce technically trained human resources to serve the present and future global needs by providing quality education M2: To provide value based training in technological advancements and employment opportunities to students by strengthening institute's interaction with industries. M3: To disseminate knowledge of need based technical education, innovative learning and research & development with holistic approach Constitutional obligations: Subject :

1) Constitution of India

2) Gender Sensitization

3) IPR was made mandatory to all the students and alsoThe institute celebrates Independence Day, Republic Day, to make the students understand the importance of observing these days. They aim at highlighting the Constitutional spirit of liberty, equality, justice and fraternity. In addition , the institute organizes the National Unity day on 31st October to pay tribute to veteran freedom fighter Sardar Vallabhbhai Patel,

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The institute first preference is commemoration days, events, and festivals for the overall development of the staff and students fostering a strong sense of cultural identity and integrity. Because of this, our campus commemorates and hosts key holidays and days like Teacher's Day, NSS Days, Science Day, Youth Festivals, Cultural festivals, Freedom Fighter's Day, Women's Day, National Integration Day, Engineers Day, etc. These occasions and festivals are frequently observed with tremendous joy and vigor. Due to India's diversity and the celebration of such occasions, people of different religions would become more tolerant and unified. Festivals help us

put aside our differences in culture and religion. They significantly contribute to breaking up the routine of existence. Additionally, they anticipate festivals throughout the entire year. Festivals make people happy and offer them something to anticipate. Festivals, bring color and excitement into our lives. Festivals must therefore be enthusiastically observed because they are essential. So, we celebrate all the activities throughout the year in a cyclic process for the togetherness of everyone to inculcate values and nationalism in the students by celebrating the national festivals and birth anniversaries of great Indian personalities on the college campus every year.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices 1. Bridging The Gap Between Industry And Institution
Academia and industry are two different worlds and operates on different passion, different purposes and different ideologies. In a growing Technology, Industry is not so impressed about the job readiness of the graduates. There is an Urgent need that industry and academia come together to address and solve the real world challenges. One of the approaches to tackle the problem of lacking skills and job readiness is partnership between the industry and academia. Our Students developed a Project Entitled "Portable Facial Recognition Attendance Device".

2. Fusion Of "Student-Centric "Pedagogy To Achieve Graduate Attributes
Student centered education is method of teaching that focus on instructions from teacher to the student. Student centered learning involves more formative and less summative. Teachers as a facilitator of learning for individual rather than for the class as a whole To achieve the Graduate attribute outcome based education (OBE) is applied. The OBE Model Measures the progress of the graduates in three parameters. 1. Program Educational Objectives (PEO) 2. Course Outcome (CO) 3. Program Outcome (PO)

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

BITS was one of the first engineering colleges that were established in the year 2001 in the most backward region of Telangana, Narsampet. The mission statement clearly defines the college's distinctive characteristic in terms of addressing needs of the society, The objective of the institute is to provide quality education in engineering to the students, to make them academically superior and ethically strong. This objective is clearly reflected in the mission statement. The vision of college is to become a renowned institute for imparting quality education. The institute aims to achieve this by incorporating experimental and project-based learning in teaching learning process along with strong Industry Institute Interaction and research opportunities. Our strengths in curricular, co-curricular and extra-curricular areas have improved the quality of education. ICT enabled classes are more interactive. Our Students acquire socially responsible by participating in various programs conducted in nearby villages of Narsampet. College adopts OBE which is a student centric learning model enabling students understand subjects. To execute this various programs such as workshops, conferences, debates, guest's lectures are conducted. Book bank facility for SC ST Students Remedial classes for weak learners sending students to take internship. BITS has qualified, experienced and faculty monitor our students as guides, mentors and facilitators. Faculty training programs help our faculty to build global competencies in the learners

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum design and development process at BITS remained a continuous and inclusive. The revision of curriculum will make them relevant to the local/national/regional/global developmental needs. The curriculum is divided into eight categories which covers various courses viz. Humanities & Science including Management Courses, Engineering Science, Basic Science, Professional Core, Professional Electives, Open Electives, Mandatory Courses, and Project Work. Curriculum design began with strong focus on teaching-learning process to meet the desired Graduate Attributes. Accordingly, several curricular review meetings were conducted with the stakeholders followed by the meetings of concerned Board of Studies and the Academic Council. Course Outcomes were developed for each course by the domain experts from department thus making course effective in terms of delivery and assessment. The H&S courses not only help the students to develop critical thinking, problem solving, and communication, both oral and written but also achieve the Programme Outcomes, POs, which were not integral part of the curriculum previously. The professional courses ensure that the students always up to date and learn cutting edge technologies. The curricular requirements help the students to continue to make a meaningful contribution to their development and contribution to welfare of mankind.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Before the commencement of each semester, University notifies an academic calendar for all the programs, which contains the date of commencement, last working day of the semester, Internship schedule and dates for semester-end examinations. BITS follows

the calendar issued by the University strictly and plans all its activities including the conduct of Continuous Internal Evaluation (CIE). The institute prepares an institute-level calendar and subsequently every department prepares its calendar. Institute calendar of events includes details like the total number of working days and holidays, CIE dates, dates for the Institute's flagship programs. The department calendar comprises guest lectures, workshops, industrial visits, other co-curricular and extra-curricular activities. The academic activities, CIE, and all activities are conducted in adherence to the calendar of events except unforeseen circumstances. The academic calendars help faculty members to plan their respective course delivery research work academic and co-curricular activities. Department heads closely supervise and monitor the completion of the syllabus as per the lesson plan prepared by faculty members. Syllabus coverage for each CIE is decided well in advance and faculty members adhere to it. Internal Assessment tests (IA), assignments, quizzes, and seminars are part of the Continuous Internal Evaluation (CIE) of students. There is a well-defined process for the conduct of CIE as per the calendar of events.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Institution strongly believes that addressing crosscutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics have a direct impact on achieving the sustainable development of the nation. So the institution takes a continuous effort in integrating cross-cutting issues to be an integral part of the curriculum to achieve holistic development of the students and to create a positive vibration on their study and societal commitment. Gender Sensitization Lab: The course emphasizes the basic value system of Indian culture, instills in the young minds, not only gender equity but also the traditional honor and pride bestowed on women in accordance to Indian Ethos, and develops a sense of appreciation of women in all walks of life. Apart from this course, the institution upholds gender equity by providing equal opportunities for both the genders in terms of admission

Intellectual property Rights: Purpose and function of trademarks, acquisition of trade mark rights, protectable matter. New development of intellectual property: new developments in trade mark law, copy right law, intellectual property audits.

Environment and Sustainability: Institute's strong community orientated work culture is based on the sustainable way of life, that involves integration of water quality, air quality and healthcare, innovation and human values.

Human Values and Professional Ethics: The curriculum has the following compulsory courses in programs specially focused on the development of human values and professional ethics: Co-curricular Activities

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
<p>The chief objective of our educational institute is to strive for excellent education. The students are from different domicile and different educational scholastic ability. Considering this, in the beginning days of academics, we identify the learning level of the student as slow learner or advanced learner. Prior to the beginning of classes, the college conducts induction programme to the freshmen through which students will be able to engage their passions, challenge their beliefs, and continue to grow intellectually, socially and emotionally. Principal, Professors, and senior faculty make students aware of their goals and objectives, code of conduct, classroom attendance, examination & evaluation system and the amenities available in the college. At the entry level, Class Teachers and Mentors identify slow and advanced learners through students' performance in the previous examination (30% weightage), aptitude test (50% weightage), and oral presentations (20% weightage).</p> <p>1. For slow learners' institute provides: Remedial teaching and bridge courses are conducted with an aim to improve the academic performance of the slow learners. This practice helps the struggling learners to improve subject knowledge and helps them to compete with their peers.</p> <p>2. Measures in force for advanced learners: Competent students are encouraged to take up internships at reputed organizations. Students are encouraged to enroll and learn through MOOC Programs offered by the world's leading institutions. SWAYAM -NPTEL online courses. Seminars/Conferences/Workshops and Presentation of Research</p>

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute adopts student centric methods to improve student involvement in problem solving methodology and experimental & participative learning. In this connection, role plays, discussions, debates, laboratory experimental learning, mini projects and case studies are held regularly.

1.Role Plays: Role play helps our students to learn and try out the experience in a play style.

2.Discussions: Discussions in many of the subjects make the students to think wide and enable them to express their opinions and check their current knowledge. Discussions are held to test their proficiency in soft skills, managerial communications, and business adoptions etc.

3.Debates: Debates are conducted in many of the subjects in which students are required to come prepared with different opinions & thought processes.

4.Laboratory experiential learning: Technical education is always justified with the help of practical knowledge. Thus from the first year, students are exposed to all the laboratories such as physics, chemistry and English. Later from their second year, students attend core department labs which give different levels

of exposure.

5. Mini projects: To enhance the practical knowledge & innovative approach, students are encouraged to carry out Mini projects from III year. Personal attention will be paid on each team member.

6. Case studies: Theoretical knowledge and extensive practical knowledge through case studies is obtained by the students in subjects

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The role of Information and Communication Technology (ICT) plays a wider role in teaching-learning activities like, content creation, administrative, formative-summative assessments, student's performance tracking, trainings, knowledge management and knowledge organization. In addition, the technical features of considering the recent major shifts in the learning paradigm, these innovations were deployed in an ongoing, real time basis in our educational campus. Balaji institute of technology and science encourages faculty to use ICT tools for effective teaching. we are enclosing the list of teachers using ICT for effective teaching with learning management systems, E- learning resources and techniques. The Institution supports our faculty to strive to meet the principles of good practice in an effort to provide the best learning experience to their students. The faculty are encouraged to cultivate an attitude towards teaching that include encouraging good communication between teachers and learners; encouraging interaction among learners; providing opportunities for active participation of learners; providing timely and appropriate response and constructive feedback to the learners; emphasizing time on task completion; motivating learning by communicating expectations; encouraging classroom participation and classroom discussion; conducting periodic formative assessment; enhancing metacognitive strategies; encouraging collaborative teaching and collaborative learning; usage ICT and Blended Teaching; and focusing on lifelong

learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has transparent and robust evaluation process in terms of frequency and variety. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Principal holds meetings of the faculties and directs them to ensure effective implementation of the evaluation process. At the entry level, admissions are given purely on merit basis and the lists of merit students are displayed on Notice board. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college and University level. Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Unit tests are conducted regularly as per the schedule given in academic calendar. The weightage for the unit tests varies as per the concerned faculty. The performance of the students is displayed on the Notice board and communicated

to the students. Personal guidance is given to the poor performing the students after their assessment. Students appearing for Second /third year are asked to deliver theseminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation. For transparent and robust for internal assessment, the following mechanisms are conducted Internal Examination Committee. • Question Paper Setting • Conduct of Examination • Result display • Interaction with students regarding their internal assessment

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

There is complete transparency in the internal assessment. The criterion adopted is as directed by the university. Redressal of grievances at institute level: 1) Departmental Level: The continuous evaluation of students is carried out by faculty regarding theory lectures, labs, assignments, unit tests. The midterm marks are allotted based on defined strategies and displayed on notice board. Query if any is discussed with faculty and HOD. 2) College Level: The Institute appoints a Senior Supervisor for smooth conduction of examinations of JNTU. If students are facing any problems, they are solved by the institution Chief Examination Officer appointed by the university. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the university by examination section. 3) Redressal of grievances at University level: The queries related to results, corrections in mark sheets, other certificates issued by university are handled at JNTU examination section after forwarding such quires through the college examination section. Students are allowed to apply for revaluation, recounting and challenged evaluation by paying necessary processing fee to university if they are not satisfied with the university evaluation through college.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute publicizes the Vision, Mission and Programme outcomes of each department to all the stakeholders namely students, parents, faculty, alumni members, governing body, employers, professional bodies. Department: Vision, Mission and Programme outcomes statements are displayed in all the classrooms, laboratories, staff rooms, corridors and offices of the department including department notice boards. Curriculum: Vision, Mission, Institution Website: Vision, Mission, Programme outcomes and Course outcomes are prominently published in the department's home page of the college website which is frequented by all stakeholders of the programme. In addition to that, the dissemination of the department's vision and mission statements is done in the following process. Students: Awareness about the department Vision, Mission, Programme outcomes is done by displaying them on the notice boards and in the classroom for the students. They are also explained at the time of joining the institution as part of an induction programme. Parents: Parents are explained about the department's Vision, Mission, Programme outcomes and Course outcomes during the induction programme organized at the time of joining their wards in the college. Programme outcomes and Course outcomes are also explained to them during Parent-Faculty meetings. Faculty and Staff: Staff meetings will be conducted for newly joined faculty and staff members to induct them into the institution and the department during which the mission and vision of the department are also explained. Alumni Members: Vision, Mission, Programme

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

In Outcome Based Education, assessment is done through one or more than one processes, carried out by the institution that identify, collect and prepare data to evaluate the achievement of program outcomes, Program Specific Outcomes and course outcomes. PO Assessment Tools: Assessment tools are categorized into direct and indirect methods to assess the Program Outcomes, Program Specific Outcomes and Course Outcomes. (A). Direct methods: Display the students' knowledge and skills from their performance in the MID Examinations, Lab Examinations, end-semester examinations, presentations and classroom assignments etc. These methods provide a sampling of what students know and/or can do and provide strong evidence of students learning (B). Indirect methods: Preparations are gathered to know how well students are achieving/ achieved a learning outcome. The PAC assesses opinions, thoughts about the graduate knowledge and skills. As it is a complex process, the percentage of attainment is kept at low percentage. Direct Assessment Direct Assessment of POs for a course is obtained by mapping the average value of Course Outcomes attainment with the mapping of the target or expected POs for the particular course. Indirect Component: The indirect component of PO contribution is obtained from different surveys Graduate Exit Survey Alumni Survey Employer Survey

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institute has created an ecosystem for Research and Innovation by recruiting & developing desirable human resource, taking initiative for creation & dissemination of knowledge and establishing state of the art infrastructure. The details are as under: 1. Promoting Innovation: The College has created an Entrepreneurship Development Cell (EDC) and Institutional & Innovation Council (IIC) for promoting innovation & entrepreneurship activities. The formation of IIC is as per the guidelines of MHRD & AICTE. 2. Technology Business Incubation : College has also established TBI (Technology Business Incubation) with the support of DC-MSME Govt. of India. Institution has initiated various activities like pre-incubation support, startup initiatives & training programs. EDC organized several EAC (Entrepreneurship Awareness Camp) programs. 3. Center of Excellences: The faculty & students are encouraged to take up research & developmental activities by utilizing the existing resources. 4. Human Resources: The institute recruits dynamic &

highly qualified faculty to mentor and channelize the young minds. Institute has taken an initiative to encourage the faculty members to pursue their Ph.D 5. Research infrastructure: The College has a Research Cell to motivate the faculty members to write research projects and submit it to various supporting agencies like DRDO, DST, AICTE, DBT, SERB, UPCST, etc. 6. Collaborations: College has signed MOUs with few industries to promote real-time project development.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The vision of the institution management is to constantly improve the students learning environment by providing the required infrastructure with modern buildings, technology enabled classrooms, labs, library, play grounds and gymnasium Teaching Learning Process The purpose of the teaching-learning process at the Institute is student-centric to develop the requisite knowledge, skills, attitudes and habits of students Classrooms and Seminar Halls The institute regularly updates the physical infrastructure to meet AICTE / JNTU Hyderabad requirements. In Overall, the college has 44 Technology Enabled Classrooms with LAN/Wi-Fi facility, LCD projectors 43 spacious laboratories for all the Five UG and PG Computing Equipment Round the clock

internet facility with 1000 Mbps speed is available in the college campus with modern computing facilities Library The college has an automated library with 59540 volumes of books on different disciplines. Digital Library used by students and faculty to access the required content. Generator Besides a standby power generator, 200 KVA generator is available in the campus to take care of the occasional power shut down due to maintenance Facilities for the disabled students The campus has ramp to facilitate for the physically challenged persons to move by the wheel chair, without any difficulty

4.2 - Library as a Learning Resource**4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

BITS has taken an initiative to move its library towards paperless functioning through the use of automated library management software. Library automation enables acquisition, cataloguing and circulation. The Automated Library System used by the institute is an Integrated Library Management System (ILMS) with interoperability means/interfaces for different kinds of systems at the institution level. It also means interfaces for similar systems at the inter organizational level, as a result of

which resource sharing and collaboration can now be taken to a whole new level. An ILMS is usually comprised of a relational database and software to act on that database and two graphical user interfaces. Most of the ILMS software functions in discrete programs called modules, which are then integrated into a unified interface. Examples of modules include: acquisitions, cataloguing circulation (lending materials to patrons and receiving them back), serials (tracking magazine and newspaper holdings), and the OPAC. Each patron and item has a unique ID in the database that allows the ILS to track its activity. NEW GEN LIB is an Integrated Library Management System developed by Verus Solutions Pvt Ltd NEW GEN LIB version 3.1.1 was released in March 2006. NEW GEN LIB was declared Open Source Software under GNU GPL Licence by Verus Solutions

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The Institute is committed to providing state-of-the-art IT infrastructure and services. With the growth of users, IT services and increasing internet bandwidth demand, the institution has scaled up the switching capabilities and implemented latest managed through optical fibre cables and WiFi access. The Institute has high-end core switches and servers. The upgradation of computer systems is taken up on periodically. The printers and scanners are also upgraded with new additions to the laboratories, office, library and departments. The college annually purchases/upgrades and replaces or adds a fleet of computers, hardware's, etc as per the requirements. The IT infrastructure is continually upgraded. The bandwidth has been progressively increased from 200 Mbps to 1000 Mbps. All the seminar halls have been installed with LCD projectors. Biometric scanner based attendance capturing system is upgraded for faculty members. Description on IT facilities There are 02 servers with Xeon E-5 version-2, 8 GB RAM, 1.0 TB hard drive, which are served as Domain Controller, student biometric server, faculty biometric server and applications servers. Back up device-2TB for critical server back up 850 desktops are provided to all department labs with configuration of Intel core i3, i5 (2 nd , 4th and 7th

generation) 4GB and 8GB RAM, 500GB and 1 TB hard disks with LAN connectivity. 25 Laser jet printers, 3 Xerox centers and 3 scanners are provided across the campus for academic and administrative purposes. Wi-Fi 25 Extendable Wi-Fi access points are placed in various places like library, corridor, Labs, Hostels, Canteen and Outdoor. Wi-Fi access is provided to all the students

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Student council committee is the appropriate platform at BITS college for enhancing the capabilities of student community. The student community through this committee is aspiring to

promote leadership and citizenship among student community. It builds and encourages friendship across grade system in the college and exhibits as role model to encourage all students to strive for their highest potential. Class Representatives: all classes have two students designated as class representatives. They are responsible for representing any issues related to academics/non-academics to concerned HoDs/Class teacher. interacts with class representatives' atleast once during the semester. Student Clubs (department level): departments organize the engineering activities through student clubs. Each club is run by students. Clubs have well defined structure & assigned roles. Cultural and Sports Committees: Students have strong representations in all cultural and sports committees. They help in organization and management of events. Major events include annual sports competition and Annual cultural event Hostel Administration: Students provide strong support in the administration and management of hostel affairs. Each hostel has students in its Mess Committee. They are involved in all major decision making aspects related to students. Placement Committees: student members are important components in placement activities. Student members are being involved for coordinating the activities during placement drives at campus. Technical Events: student members are part of organizing committees for all the engineering activities at department/institute level. Some of these activities include conferences, coding & project contests, technovation, quiz competitions, student club activities etc.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The college has a registered alumni association. The Alumni Associations functions through two modes. (i) as an independent organisation, (ii) as an association endorsed by the College. The independent alumni association meet as and when necessary arise. Principal and senior faculties are invited to participate to offer suggestion to improve the welfare of the college. Alumni association endorsed by the college meets once in a year. Principal being the chief coordinator convene the meeting and present the immediate needs of the college, while reeving comments and suggestions from the alumni for the development of the college. Prominent alumni facilitate the prospective students for employment generation. Beside the alumni association of the college. Certain old departments have their own alumni set up to promote their department interest. Alumni have contributed in kind and cash for the development of the department and college. Steps are being implemented to strength the alumni association to play an active role in the development of the college

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Balaji Institute of Technology & Science is established in 2001 by "Maheshwara Educational Society", with the concept of providing quality Technical Education, Professional development and Service to Humanity by a service oriented, qualified and experienced professional Doctor well versed in the medical field. "Education is the biggest service to humanity" is the motto of our Society. The society believes in developing quality and standards in education through Balaji Institute of Technology & Science which is committed to the principles of better quality service and to promote value based education. Vision To be a centre for excellence in preparing the graduates professionally committed, intellectually adept and ethically balanced with high standards by imparting quality education with international standards to excel in their career to meet the challenges of the modern world and adapt to the technologically changing environment. Mission M1: To strive hard to produce technically trained human resources to serve the present and future global needs by providing quality education M2: To provide value based training in technological advancements and employment opportunities to students by strengthening institute's interaction with industries. M3: To disseminate knowledge of need based technical education, innovative learning and research & development with holistic approach.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

In the decentralized set up adopted in the Institution, the Principal, who is the academic administrative head monitors the overall functioning and has powers for academic, administrative, financial issues for the growth of institute in line with the vision and mission of the institution. The Institute has decentralized its operations and has delegated authority at various levels to ensure good governance. Incharge of Internal Quality Assurance Cell (IQAC) monitors and streamlines Academic Quality initiatives like academic audit process and faculty performance appraisals. Structured delegation of authority responsibilities is entrusted to faculty through regular staff meetings to encourage the academic leadership among the faculty within subject disciplines. Faculties are involved to participate through committees to manifest their administrative skills with professional responsibility and accountability and also guide student committee members to learn their leadership qualities. This ensures their acumen in decision-making with regard to organizing academic, administrative, co-curricular and extracurricular activities conducted in the course of the academic year. The Heads of Departments have adequate autonomy to monitor the functioning of the various departments for taking important decisions, feedback from all stakeholders is taken into account. The office administration of the College is monitored by the Administrative Officer, Manager, Superintendent, Head Clerks, Senior Clerks, Junior Clerks

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Various committees have been framed in our college in order to redress the problems and grievances of the students. For every committee, a senior faculty member was designated as Chairman/Convener. Every committee has been defined the roles and responsibilities. It is the responsibility of the convener to convene the meeting as frequently as possible among the members to discuss the issues related to the responsibilities assigned to the concerned committee. Based on the nature of the problems arise, the convener will take necessary remedial actions. If the

remedial action requires attention of the Principal, Chairman and Management, then it will be immediately brought to the notice of them for necessary action

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Institute is managed by the Governing Body (GB), a decision making body which steers direction of the institute in a progressive mode. The members of the GB discuss and decide policies and action plans for fulfillment of the vision of the institute. The Principal is the academic & administrative head who monitors the overall functioning and has powers for academic, administrative, finance and institute's growth. Governing Body of the college meets once/ twice in a year in order to discuss various issues and aspects related to the development of the college and its academic standards. It includes considering and approving the institution's strategic plan which sets the academic aim and objectives of the institution and identifies the financial, infrastructural needs and staffing strategies. It chalks out a roadmap in order to achieve the goals of the institute. Governing body ensures that the institute follows Service rules, Recruitment, Promotional policies and Grievance Redressal Mechanism according to the norms of University. Co curricular affairs are looked after by R&D, Library, Training & Placement and EDC, Industry Institute interaction cell. Extracurricular programmes are organised by coordinators of NSS & Cultural Committee. Sports are conducted by Physical Director. IQAC receives recommendations from all HoDs regarding all issues for student, faculty development and overall development of the institute. The administrative wing is headed by Administrative officer who takes care of Establishments, Accounts, Hostels, Canteen, Transport, Security & Dispensary

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal system is one of the essential significant features for providing quality education. Performance Appraisal System includes Self Appraisal for both teaching and non-teaching staff. Performance of the teaching faculty in professional

development activities is evaluated through their performance against important Academic aspects such as Academic workload for each semester, Technical guidance in students' projects, Initiatives and participation in various activities like seminar, workshop, FDP: Faculty Paper and Journal publications, Conferences attended, Pursuing higher studies, Consultancy projects, Ongoing and completed Sponsored Research projects, Honors/Awards/medals received, Professional body Memberships, Value added courses, Textbooks authored, Editor/ Journal Reviewer, Resource person, Coordinators at college and department level, Role in university as panel member, Service to institution and any other achievements. Contribution towards Learning Resources Development at Institute, innovation in teaching, and efforts for Lab Work/Tutorials and University related work is also taken into account for faculty appraisal. Institutional governance responsibilities, Faculty interaction with outside world, Involvement of faculty in Non - academic issues such as NSS & Co curricular & Extracurricular activities and Association activities are also considered for appraisal of faculty. For effective evaluation of the faculty at the institute, the other parameters considered are students' feedback, Mentoring, punctuality, preparation, presentation skills, Management of discipline and control, subject knowledge and Approachability. It also involves the reviews and comments of the HOD, team work and contribution to the department, Instruction compliance, Commitment to the Department and Institution, Mentoring ability and Organizational skills in conducting events

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institutional strategies for mobilisation of funds: Admissions

are made as per Telangana Government Higher Education norms. Fees amount is collected from each student as per the norms laid by the Fees Fixation Committee of State Government. The amount towards fee collection is deposited in Public sector banks as short term fixed deposits. The amount of fees and the interest earned from the deposits are utilised for the development of the college and recurring expenses like salaries, electricity maintenance, vehicle fuel, infrastructural maintenance etc. Alumni association fund is also utilized towards recurring expenses. Institute has applied for grants from AICTE, DST, and other organizations under MODROBS, to purchase the latest laboratory equipment, updated version of the software and others. Grants and sponsorships received from various organizations including Professional Bodies to conduct Symposiums, Seminars, National and International Conferences and other similar activities. The innovation activities like students' project work and research activities of students and faculty are supported b Institute. Institute also supports for Green infrastructure development in the college atmosphere and for waste management activities. The College also gets various sponsorships from industries, private firms, and individuals for the development of laboratories and library in the form of models, equipment, books etc

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC, which plans and monitors academic excellence was started in 2012 and has been functioning to fosters various of activities to make everyone aware of quality assurance strategies and processes. For every course, comprehensive plan comprising module wise planning of lectures and practicals / tutorials, list of books and assignments, beyond syllabus activities, study materials etc. is prepared by faculty. As per the suggestions by IQAC, the plan is further streamlined and strengthened every year with incremental improvements by incorporating required components The initiatives which have contributed significantly

for quality improvements in the institution are furnished below: The institution envisages progressive development. The institution intends to be a learning organization. The institution through its IQAC makes rigorous and continuous efforts to study, analyze and improvise every strategy, activity, process and procedure in all the domains of the institutional activity with a view to achieve, sustain and enhance quality with a aim to achieve excellence. Continuous feedback, Academic Audit, Feedback from alumni, industry, parents, students, experts and the community helps it to establish quality culture. The quality is maintained at every stage be it academics, administration, infrastructure etc

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The quality management system is rolled out by IQAC cell to ensure quality in all the activities. Following procedures are followed to achieve continuous improvement in the Academics: Faculty of each Course prepares a detailed Lesson plan at the beginning of the semester, according to the syllabus framed by the JNTUH for the effective completion of the syllabus. Each faculty maintains lecture schedule in attendance register to track the syllabus coverage and to record the students' attendance. Attendance Registers are verified and attested by the HOD and Principal every month. Academic calendar is prepared during the commencement of the academic year. Attendance of the students is monitored keenly and students falling short of required attendance percentage are informed and their parents are alerted of their wards attendance immediately. Class committee meetings are held periodically to identify the difficulties of Teaching learning process and to rectify immediately. The output of these actions are measured using different parameters such as pass percentage in the University exam, Number of students placed, Number of students opting for Higher studies, etc., Internal Academic Audits are conducted periodically by the Internal Academic Audit team to ensure the follow up of the

system and schedule by every department

INSTITUTIONAL VALUES AND BEST PRACTICES**7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Balaji Institute of Technology and Science undertakes several measures and programmes to promote a culture of respect and equality for female gender and also to provide opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right. Women occupy senior positions such as Head of department and Deans. They are also nominated as

members of Internal Quality Assurance cell, Board of Studies and Board of Management. A women grievance cell, women empowerment cell and prevention of sexual harassment cell has been set up to raise awareness and promote gender equity. Various programmes are organized by these cells to promote gender equality.

Some of the programmes organized during the various academic years include

- Workshop on Psychological Motivation for girls
- Workshop on Women Academic Managers: Challenges & Approaches
- Yoga training for Women
- Self defense training programme for women
- Capacity building of Women in Higher Education
- Grooming Women on health and hygiene • Women's Day Celebrations

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste

management Biomedical waste management E-waste management Waste recycling system
Hazardous chemicals and radioactive waste management

Balaji Institute of Technology and Science follow the proverbial saying, 'Prevention is better than cure', meaning thereby, it is better to alleviate something hazardous or deleterious from happening than it is to deal with it before it gets cropped up and become intense.

Therefore we follow the dictum of '3Rs'- Reduce, Reuse and Recycle. From the health, hygiene, environment and aesthetic point of view, the college ensures proper disposal of waste generated in the campus Solid waste is segregated as degradable and non-degradable and are handed over to the concern authorities under MOU as a part of Clean and Green campus.

Each block and each floor is provided with dry waste collecting bins every day and collected, the same is transported to the concerned places and segregate and hand over to concerned authorities.

Vegetable waste and food waste is treated and converted into vermi compost and used as manure. The cow dung available in the cattle field in the campus helping the vegetable waste to manure in course of time for regular use.

The college is striving to be a plastic free zone and in process of vertical garden with the available waste pet bottles and making the campus ecofriendly and greenery to reduce global warming. UPS batteries are refurbished by the sellers. In chemistry laboratory, organic solvents are collected in a special container -chemically compatible, securely fitted with a tight-fitting lid and labelled as hazardous waste and safety aspects before utilizing them.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated on the campus with the

initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony. The institution believes in equality of all cultures and traditions as is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities. The college staff & students jointly celebrate the cultural and regional festivals, like New-year's day, teacher's day, orientation and farewell program, Induction program, oath, plantation, Women's day, Yoga day, and also festivals like Ayudh Pooja celebration, Ganesha Festival. Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

India is a vast country with many languages, subcultures, religions and ethnic diversities governed and guided by the Constitution irrespective of caste, religion. Balaji Institute of Technology & Science sensitizes the students and the employees of the institution to the constitutional obligations about values, rights, duties and responsibilities of citizens which enables them to conduct as a responsible citizen. The institute vision & Mission Vision To be a centre for excellence in preparing the graduates professionally committed,

intellectually adept and ethically balanced with high standards by imparting quality education with international standards to excel in their career to meet the challenges of the modern world and adapt to the technologically changing environment. Mission M1: To strive hard to produce technically trained human resources to serve the present and future global needs by providing quality

education M2: To provide value based training in technological advancements and employment opportunities to students by strengthening institute's interaction with industries. M3: To disseminate knowledge of need based technical education, innovative learning and research & development with holistic approach Constitutional obligations: Subject :

1) Constitution of India

2) Gender Sensitization

3) IPR was made mandatory to all the students and also The institute celebrates Independence Day, Republic Day, to make the students understand the importance of observing these days. They aim at highlighting the Constitutional spirit of liberty, equality, justice and fraternity. In addition , the institute organizes the National Unity day on 31st October to pay tribute to veteran freedom fighter Sardar Vallabhbhai Patel,

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The institute first preference is commemoration days, events, and festivals for the overall development of the staff and students fostering a strong sense of cultural identity and integrity. Because of this, our campus commemorates and hosts key holidays and days like Teacher's Day, NSS Days, Science Day, Youth Festivals, Cultural festivals, Freedom Fighter's Day, Women's Day, National Integration Day, Engineers Day, etc. These occasions and festivals are frequently observed with tremendous joy and vigor. Due to India's diversity and the celebration of such occasions, people of different religions would become more tolerant and unified. Festivals help us put aside our differences in culture and religion. They significantly contribute to breaking up the routine of existence. Additionally, they anticipate festivals throughout the entire year. Festivals make people happy and offer them something to anticipate. Festivals, bring color and excitement into our lives. Festivals must therefore be enthusiastically observed because they are essential. So, we celebrate all the activities throughout the year in a cyclic process for the togetherness of everyone to inculcate values and nationalism in the students by celebrating the national festivals and birth anniversaries of great Indian personalities on the college campus every year.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices 1. Bridging The Gap Between Industry And Institution Academia and industry are two different worlds and operates on different passion, different purposes and different ideologies. In a growing Technology, Industry is not so impressed about the job readiness of the graduates. There is an Urgent need that industry and academia come together to address and solve the real world challenges. One of the approaches to tackle the problem of lacking skills and job readiness is partnership between the industry and academia. Our Students developed a Project Entitled "Portable Facial Recognition Attendance Device".

2. Fusion Of "Student-Centric "Pedagogy To Achieve Graduate Attributes Student centered education is method of teaching that focus on instructions from teacher to the student. Student centered learning involves more formative and less summative. Teachers as a facilitator of learning for individual rather than for the class as a whole To achieve the Graduate attribute outcome based education (OBE) is applied. The OBE Model Measures the progress of the graduates in three parameters. 1. Program Educational Objectives (PEO) 2. Course Outcome (CO) 3. Program Outcome (PO)

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

BITS was one of the first engineering colleges that were established in the year 2001 in the most backward region of Telangana, Narsampet. The mission statement clearly defines the college's distinctive characteristic in terms of addressing needs of the society, The objective of the institute is to provide quality education in engineering to the students, to make them academically superior and ethically strong. This objective is clearly reflected in the mission statement. The vision of college is to become a renowned institute for imparting quality education. The institute aims to achieve this by incorporating experimental and project-based learning in teaching learning process along with strong Industry Institute Interaction and research opportunities. Our strengths in curricular, co-curricular and extra-curricular areas have improved the quality of education. ICT enabled classes are more interactive. Our Students acquire socially responsible by participating in various programs conducted in nearby villages of Narsampet. College adopts OBE which is a student centric learning model enabling students understand subjects. To execute this various programs such as workshops, conferences, debates, guest's lectures are conducted. Book bank facility for SC ST Students Remedial classes for weak learners sending students to take internship. BITS has qualified, experienced and faculty monitor our students as guides, mentors and facilitators. Faculty training programs help our faculty to build global competencies in the learners
