

Industry supported laboratories

- The Department of Computer Science & Engineering (AI&ML) has set up industry-supported laboratories to enhance collaboration with industries and ensure that our students stay updated with the latest advancements in the field.

S.No.	Industry Name	Name of the Lab	Utilization
1	Centre of Excellence	EduNetFoundation	Internships, Training and Hands-on Projects, Faculty research work, FDPs and Workshops
2	AICTE IDEA Lab	IDEA Lab	Prototype making, Hands-on sessions, Faculty research work, FDPs and Workshops

- The Department of CSE (AI&ML) has made significant efforts to prepare students for the industry by enhancing their skill sets through training on the latest tools and technologies. These initiatives are carried out in collaboration with industry and research labs through the following activities:

- Invited Talks :** Resource persons from industries specializing in specific AI&ML domains.
- Industry-Supported Laboratories.
 - Student Development Programs: Collaborative efforts with industry for skill and curriculum development.
 - Internships for students.
 - Faculty Development Programs..
