Report on Awareness Program on Anti- Narcotics

Awareness program on Anti - Narcotics was organized by BITS - NSS unit on 23.06.2025 for all the students of B. Tech by Narsampet Police Department & Warangal Police Commissionerate in front of BITS Portico at 10: 30 am

Anti-narcotics measures play a crucial role in reducing drug abuse, protecting public health, preventing crime, and safeguarding youth from addiction. They promote international cooperation and contribute to a more productive, drug-free society. However, such measures also have drawbacks, including overcrowded prisons, high enforcement costs, corruption, and potential human rights violations. Additionally, focusing on punishment rather than rehabilitation can stigmatize addicts and fail to address the root causes of drug demand, limiting the overall effectiveness of anti-narcotics efforts.

Report on Equal Access to Education

As per the Instructions from JNTUH-NSS Cell, Hyderabad, BITS NSS Unit conducted an Essay writing, Declamation /public speaking and drawing competition to all B.Tech students on the theme “**Equal Access to Education**”. Education is a fundamental human right and a key driver of individual and societal development. Equal access to education means that every individual, regardless of gender, socioeconomic status, ethnicity, disability, or geographic location, has the opportunity to receive a quality education. However, despite global efforts, barriers to equal access persist in many parts of the world.

Equal access to education promotes:

- **Social Equity:** It helps reduce inequality and promote social mobility.
- **Economic Growth:** Educated populations contribute to a skilled workforce and innovation.
- **Health and Well being:** Education improves health outcomes and life expectancy.
- **Empowerment:** It empowers marginalized groups, especially women and minorities

Achieving equal access to education is both a moral imperative and a practical necessity. While progress has been made, persistent inequalities must be addressed through coordinated global and local efforts. Education is not just a privilege—it is a pathway to a better, fairer, and more prosperous world.

Report on “NATIONAL VOTERS DAY”

On this occasion NSS unit, BITS conducted an essay writing competition and taken pledge by the students on 25.01.2025 at 11:30 am in BITS Seminar hall

National Voters' Day is celebrated in India every year on **25Th January**. The day was first observed in **2011** to encourage more participation in the electoral process and raise awareness about the importance of voting.

Key points about National Voters' Day:

1. **Purpose:** The primary goal is to promote voting rights among all eligible citizens, especially first-time voters, and encourage them to exercise their right to vote in elections. It also highlights the significance of free, fair, and transparent elections.
2. **History:** The day was established by the **Election Commission of India** to mark its foundation day. The Election Commission was formed on **January 25, 1950**, and since 2011, National Voters' Day has been celebrated annually to coincide with this date.
3. **Theme:** Each year, National Voters' Day is celebrated with a theme. Themes usually focus on different aspects of electoral participation and empowerment. For example, themes could emphasize voter education, ensuring the inclusion of marginalized communities, or promoting the importance of casting an informed vote.
4. **Activities:**
 - On this day, new voters (18 years old) are often handed their **voter identity cards** and are encouraged to participate in the electoral process.
 - Various awareness campaigns, including workshops, social media campaigns, and voter registration drives, are held across the country.
 - The Election Commission of India organizes various events, including speeches and educational programs, to encourage young people and marginalized communities to become active participants in elections.
5. **Significance:**
 - It plays a critical role in strengthening democracy by ensuring that everyone eligible to vote is informed and motivated to do so.

- It also encourages the youth, especially those who have turned 18, to understand the importance of their vote and contribute to the nation's political system.

By celebrating this day, India fosters a culture of active and informed voting, ensuring that every citizen's voice is heard in shaping the country's future.

Report on Awareness Program on Ganja & Control on Drug Addiction

BITS, NSS UNIT in association with Student Council has organized an “**Awareness Program on Ganja & Control on Drug Addiction**” by Narsampet and Warangal Police Commissionrate on 30/12/2024 in Main Seminar Hall at 11:00 am. Control over drug addiction is a complex and multifaceted issue, requiring a combination of prevention, treatment, rehabilitation, and long-term management strategies. Here’s a comprehensive overview of how drug addiction can be controlled, addressing key areas like understanding addiction, prevention strategies, treatment options, and rehabilitation approaches. Prevention focuses on reducing the risk of individuals developing drug addiction. Key strategies include:

- **Education and Awareness:** Teaching people, particularly young people, about the risks of drug use and the impact it can have on their health, relationships, and future.
- **Risk Factor Reduction:** Identifying and addressing factors that contribute to drug use, such as mental health issues, peer pressure, and socioeconomic stress.
- **Community Programs:** Programs aimed at strengthening community resilience, building strong social support systems, and offering positive activities and alternatives to drug use.
- **Early Intervention:** Identifying signs of substance use before it escalates into addiction. Schools, parents, and communities can help by creating open lines of communication and offering resources for support.

Family and friends play a crucial role in supporting individuals with addiction. A supportive network can provide emotional encouragement, help in recognizing early signs of relapse, and participate in family therapy to repair damaged relationships. Control of drug addiction requires a comprehensive, multi-pronged approach, encompassing prevention, treatment, and long-term support. By integrating medical, psychological, and social interventions, addiction can be effectively managed, allowing individuals to regain control of their lives and work toward long-term recovery. Advances in research, policy, and treatment modalities offer hope for improving outcomes for those struggling with substance use disorders.

Report on “My Role in making Telangana a Drug-Free State”

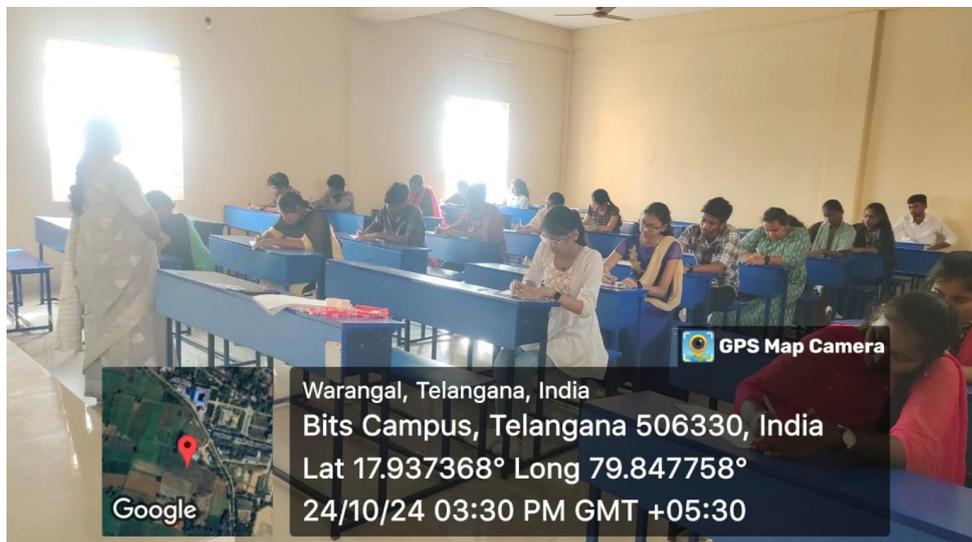

Our role in creating and maintaining a **drug-free state** is vital, and it begins with small actions that can have a significant impact on our community. Here’s how you, as an individual, can play a meaningful role:

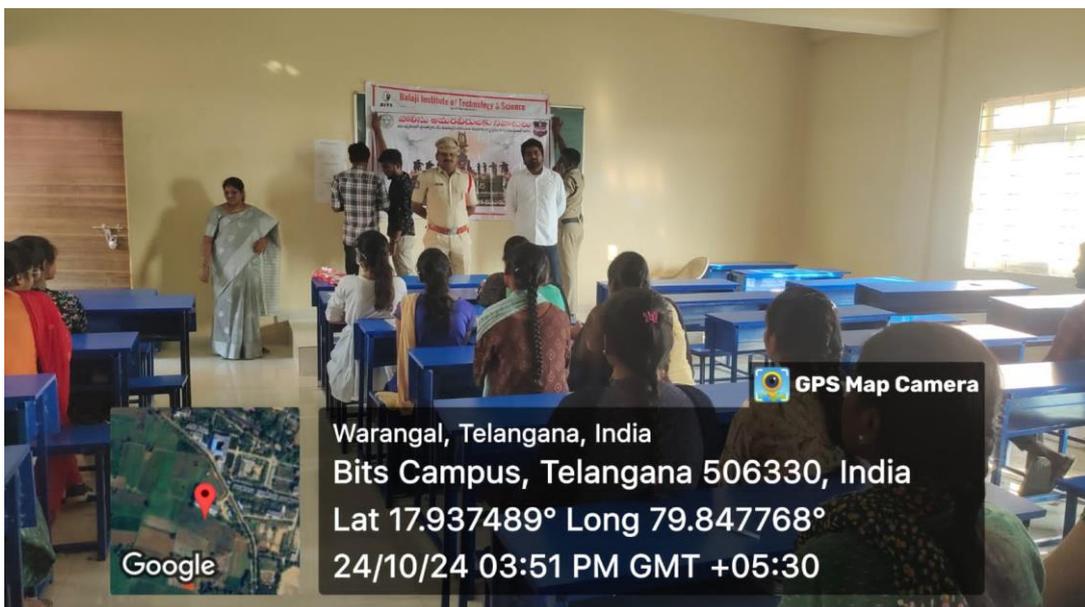

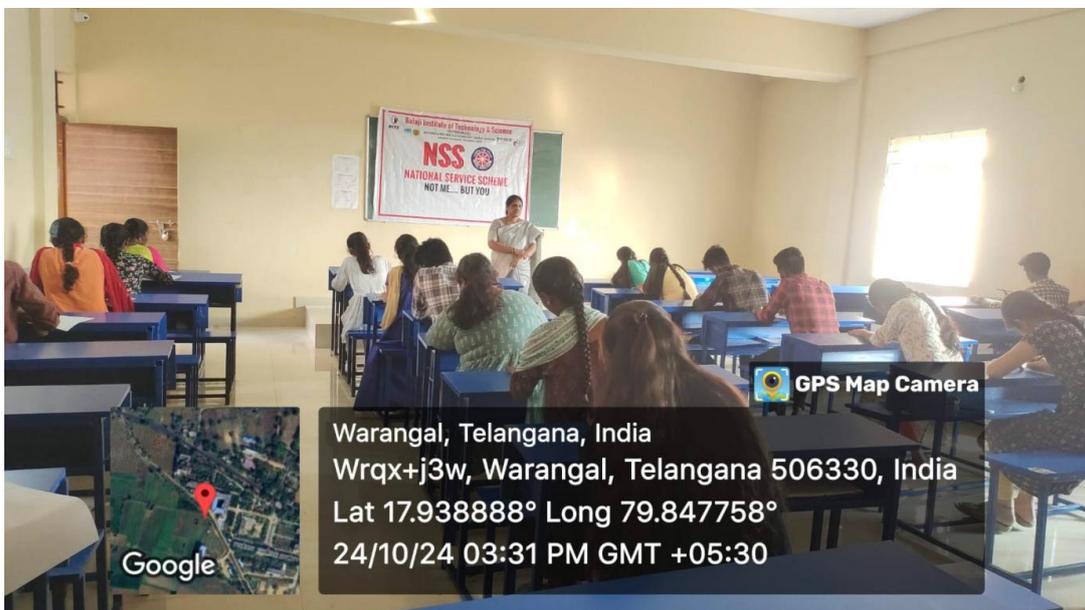

- Be a Positive Role Model
- Educate and Raise Awareness
- Encourage Open Conversations
- Support and Help Others
- Be an Advocate for Stronger Policies
- Promote Mental Health Awareness
- Be Involved in Your Community
- Support Recovery and Reintegration

By being an advocate, educator, role model, and active participant in community efforts, we can play a significant role in creating and maintaining a drug-free state. Each small effort, whether it's educating a peer or supporting a local initiative, contributes to the larger goal of building a healthier, drug-free community.

REPORT ON NSS FORMATION DAY

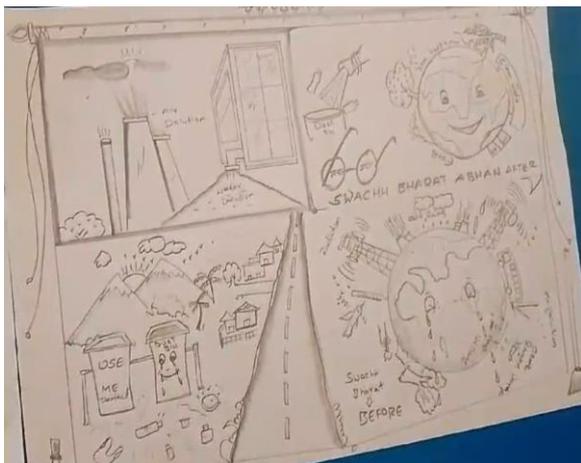

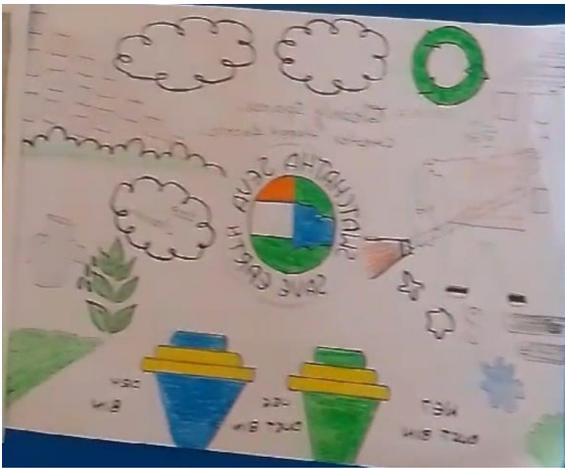

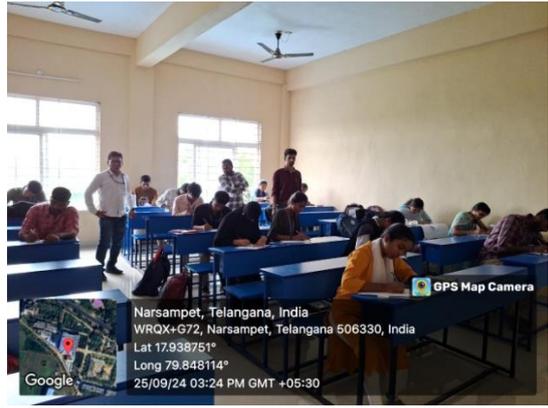

NSS Unit, BITS conducted Essay Writing on “VIKSITH BHARATH” & Painting competition on “SWATCHHTA HI SEVA” the occasion of NSS formation Day on 25-09-2024. This event was conducted to create awareness among students of National Service Scheme its functions and the importance of community service. The essay writing competition on “VIKSITH BHARATH” encouraged students to express their visions for a developed India, focusing on aspects such as education, technology, and sustainable development. Participants shared their ideas on how to contribute to national progress.

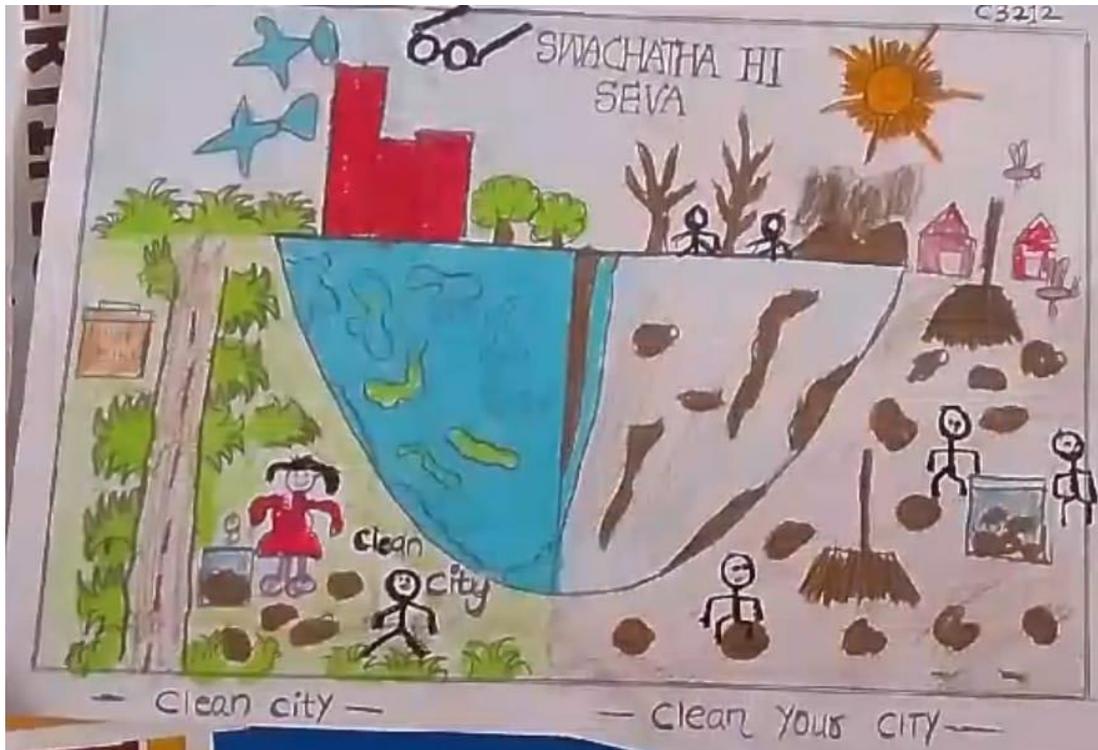

Simultaneously, the painting competition on “SWACHHTA HI SEVA” allowed students to creatively illustrate the significance of cleanliness and hygiene in our daily lives. Through their artwork, participants conveyed powerful messages about the need for environmental conservation and community engagement.

Both competitions aimed to foster a sense of civic responsibility and to highlight the role of the National Service Scheme in empowering youth to actively participate in societal development. The event was well-received, with enthusiastic participation from students, showcasing their creativity and commitment to national values.

REPORT OF “SWACHATHA HI SEVA”

As a part of “SWACHATHA HI SEVA” campaign held from September 17th to October 1st, we the NSS Unit, BITS organized cleaning of our campus in association MY BHARATH team On 23.09.2024 to create awareness among students about the importance of cleanliness and hygiene. The event aimed to not only beautify our campus but also to instil a sense of responsibility towards maintaining a clean environment. Volunteers from the NSS Unit and the MY BHARATH team collaborated to clean various areas, including classrooms, gardens, and common spaces. During the campaign, we encouraged students to adopt eco-friendly habits. The response from the student community was overwhelming, and many expressed their commitment to continuing these efforts beyond the event. This initiative highlighted the significance of collective action in promoting cleanliness and inspired students to take personal responsibility for their surroundings.

REPORTON INDEPENDENCE DAY CELEBRATIONS

78th INDEPENDENCE DAY was celebrated in our campus on 15.08.2024. After hoisting the flag Chairman Dr. A. Rajendra Prasad Reddy, Secretary Dr. G. Rajeshwar Reddy and Principals of various colleges have addressed the gathering by remembering struggle & contribution of great freedom fighter in making India free from Britishers who rules for more than 200 years and brought awareness among the students about the vital role of present youth in shaping the future of the nation. They emphasized that today's young generation holds the power to drive change and innovation, just as the freedom fighters did in their time. The speakers encouraged students to engage actively in civic duties, pursue education with passion, and uphold the values of democracy and equality. They reminded the gathering that the spirit of independence lies not only in commemorating the past but also in taking responsibility for the present and future. By harnessing their talents, creativity, and technology, the youth can contribute significantly to nation-building, addressing social issues, and fostering unity in diversity. The call to action resonated strongly, inspiring students to embrace their roles as leaders and change makers in a free and progressive India. Certificates were distributed to the winners in Essay Writing Competition conducted on World Nature Conservation Day. Later dance performances were organised.

REPORT ON ESSAY WRITING COMPETITION

BITS - NSS Unit organized an Essay Writing Competition on “WORLD NATURE CONSERVATION DAY” on July 25, 2024, in collaboration with Prajapita Brahma Kumaris Ishwaris Vishwa Vidyalaya, Narsampet, Local Branch. The event aimed to raise awareness among students about the importance of conserving nature for both present and future generations. Participants were encouraged to explore various aspects of environmental conservation, including sustainable practices, biodiversity preservation, and the impact of climate change.

The essays highlighted innovative ideas and practical solutions for protecting our natural resources, emphasizing that every individual has a role to play in this global effort. By fostering a deeper understanding of ecological issues, the competition aimed to inspire students to become proactive advocates for the environment. The initiative not only honed their writing skills but also instilled a sense of responsibility towards preserving the planet, ensuring a healthier and more sustainable world for years to come.

Topic:- Conservation of Natural Resources: A Key to Sustainable Development.

Participants: **160 students**
