REPORT

ONE DAY WORKSHOP ON "INTELLECTUAL PROPERTY RIGHTS AND COMPETITION POLICY"

On 20-01-2015 Balaji Institute of Technology has organized one day workshop on **"Intellectual Property Rights and Competition Policy"**.

The chief guest and resource person Mr.K. Ramesh Founder and CEO of monitoring heads ,Hyderabad. Has enlightened the participants in the area of "Intellectual Property Rights and Competition Policy".

Apart from the "Intellectual Property Rights and Competition Policy" he has emphasized on the importance of IPR and its benefits to the society.

During the workshop Dr.A.Rajendra prasad Reddy, Chairman, Balaji group of institutions had emphasized the significant role of Intellectual Property Rights in present days.

Dr.V.S.Hariharan Principal, Balaji Institute of Technology, has focused on the changing of Competition Policy in the world.

Participants:

Student participants and all the teaching staff representing various departments have taken active participation in the workshop.

Learning objectives:

1. To Create awareness in the area of Intellectual Property Rights.

2. To emphasize on recent Competition policies.

3. To focus on the importance of IPRs.

4. To explain the various types of IPRs.

Learning Outcomes:

1. The participants have received valuable awareness regarding Intellectual Property Rights.

2. The participants have realized the recent Competition policies.

3. The participants have came to know the about the importance and benefits of Intellectual Property Rights.

4. The participants have secured valuable information in the area of IPRs.

ABOUT THE INSTITUTION

Balaji Institute of Technology & Science was established by Maheshwara Educational Society in 2001 with a mission of to strive hard to produce technically trained human resources to serve the present and future global needs by providing quality education. The college is approved by AICTE Delhi and affiliated to JNTUH, Hyderabad, Telangana. Institution is located at Laknepally Village near Narsampet, Warangal - Narsampet Main Road in an area of 50 acres. Presently the college offers Graduation(B.Tech) and Post Graduation (MBA/ /M.Tech) courses, in B.Tech EEE,ME,ECE,CSE & CIVIL with an intake of 660 besides MBA and MCA with an intake of 60 each and M.Tech-CSE,ECE,EEE with 18 each.

The management has constructed magnificent buildings on the campus surrounded by serene and natural surrounding with plenty of greenery. All the laboratories are established with sophisticated and modern equipment. The state-of-the-art facilities are provided in the institution to meet the academic requirements of the staff & students. Extracurricular, co-curricular activities are given weightage to satisfy all sections of students. Transportation and residential facilities are offered for the convenience of students. Student's welfare, academic growth, their placements and overall personality development is the motto.

ABOUT CSE DEPARTMENT

The CSE dept. was established in the academic year 2001-02 with an intake of 60 and currently with 120 regular and 34 lateral entry students. M.Tech. Course with Specialization “Computer Science & Engineering” with an intake of 18, started in the academic year 2008-09, 2012-13 respectively.

The Department mission is to impart quality education to engineering graduates. The department conducts many technical talks, Workshops etc. Every semester at least two guest lectures are being arranged in addition to above activities. With an intention of “Spreading Knowledge through interaction”, our department has been organizing National Level Technical Symposiums and Workshops through the constant support and enthusiasm of the management, faculty and students.

ABOUT THE WORKSHOP

Guidelines Related Guidelines Related to the Information The Incorporation of Trademarks. It is very useful for the students. To create awareness in the area of IPR and to emphasize on recent trends in use of IPR in Modern Methods. To focus on the importance of IPR rights in Modern Management Methods.

ELIGIBILITY:

Lab Programmers, Lab Technicians and Lab Assistant,Faculty, Students from all Departments.

Schedule

Day	TOPICS
Day-1 18-11-2017	• Introduction to the IPR Rights. • Recent trends information. • Companies uses. • To awareness of the recent area. • Benefits and advantages and disadvantages in Modern Methods.

ABOUT THE INSTITUTION

Balaji Institute of Technology & Science, popularly known as BITS, was established by Balaji Educational Society in 2001 at Laknepally Village near Narsampet beside Warangal - Narsampet Main Road in an area of 50 acres. The place is well connected by road and train is only 30 minutes drive from Warangal. Presently the college offers Graduation(B.Tech) and Post Graduation (MBA/ /M.Tech) courses, in B.Tech EEE,ME,ECE,CSE & CIVIL with an intake of 660 besides MBA with an intake of 60 and M.Tech-CSE,ECE,EEE with 18 each.

The management has constructed magnificent buildings on the campus surrounded by serene and natural surrounding with plenty of greenery. All the laboratories are established with sophisticated and modern equipment. The state-of-the-art facilities are provided in the institution to meet the academic requirements of the staff & students. Extracurricular, co-curricular activities are given weightage to satisfy all sections of students. Good quality food, transportation and residential facilities are offered for the convenience of students. Student's welfare, academic growth, their placements and overall personality development is the motto.

ABOUT CIVIL DEPARTMENT

The CIVIL dept. was established in the academic year 2013-14 with an intake of 60 and currently with 120 regular and 24 lateral entry students. The department has 24 well qualified, experienced and dedicated faculty having specialization in diversified areas of technology.

The department has good infrastructure with 8 different labs. All the labs are fully equipped to cater the needs of the students. The department consists of 5 well-furnished classrooms for theory classes and 1 Fully Equipped Seminar Hall.

The department conducts many technical talks, Workshops etc. Every semester at least two guest lectures are being arranged in addition to above activities.

With an intention of "Spreading Knowledge through interaction", our department has been organizing National Level Technical Symposiums and Workshops through the constant support and enthusiasm of the management, faculty and students.

About the Workshop

A trade secret is any practice or process of a company that is generally not known outside of the company. Information considered a trade secret gives the company an economic advantage over its competitors and is often a product of internal research and development

To be legally considered a trade secret in the United States, a company must make a reasonable effort in concealing the information from the public, the secret must intrinsically have economic value, and the trade secret must contain information. Trade secrets are a part of a company's intellectual property. Unlike a patent, a trade secret is not publicly known.

TOPICS INCLUDES

Session	Topics Covered
Session-1	Trade Secret Systems in the changing innovation Environment.
session-2	Trade Secrets Systems in Innovation , Innovation ,Intellectual Property Policies a Development
Seesion-3	Presentation: National and Regional Frame Works
