## Brief Profile of Balaji Institute of Technology and Science

Balaji Institute of Technology and Science, known as BITS is a Premier Institute offering quality education. Within a short span of time the Institution has emerged in Telangana as an entity to reckon with. Magnificent palatial Buildings, serene green Eco friendly environment, state of art world class laboratories are salient features of the Institution. Other prioritized domains are sports and cultural activities at the Institute. Discipline is the hallmark of BITS. It offers various UG & PG courses in Engineering. Students' welfare, academic growth, their placements and overall personality development is the motto. Our philosophy is "Success through Performance".

## ABOUT TRAINING & PLACEMENT CELL

At Balaji Institute of Technology & Science, we always trust in equipping our students with the right talent and personality to face the industry requirements. Our focus is on creating new approaches to attract the best from the industry to our campus. The Placement & Training Cell functions with the primary aim of placing students in best companies even before the course completion and further provides ample opportunities to the students to develop their personality by conducting programs regularly in communication and soft skills with the view of making students Industry-friendly and Industry ready candidates. The Cell is well equipped with ample infrastructure in terms of Seminar Hall, Meeting Hall for Pre Placement Talk, Presentations, etc. We collect the data of the graduating students and maintain a comprehensive database ready for reference of placement drives. The placement cell operates round the year to facilitate contacts between companies and graduates.

It plays a very important and key role in guiding the students of the college for their successful career placement.

### Vision

Equipping the students with appropriate and conceptualized employable skills and steering them towards a value based promising career all around the world.

### Mission

To attain cent percent placement for our students through accurate planning and absolute participation of students

### Planning for Placement

The placement activity is primarily managed by the Placement Committee headed by Dean, Training & Placements of the institute and other committee members which includes Training & Placement Officer and faculties from various programmes.

### Objectives

- Arranging off Campus, Pool Campus and exclusive Campus Recruitment Drives.

 Training & Placement Cell  
BITS-Narsampet  
Warangal-506 331.

  
Principal  
Balaji Institute of Technology & Science  
Laknepally, Mdl: Narsampet,  
Dist. Warangal - 506 331

- Organizing Aptitude & Soft skills Training Programs to prepare our students to face Campus Recruitment process.
- Organizing Mock Group discussion sessions and also Mock Tests to improve their communications skills & interview facing as per the Company specific.
- Communicate with HR Personnel, furnishing Institute profile and resume of the students for the sake of placements.
- Interface between Industries – Institute interactions.
- Arranging periodical aptitude tests for final year & pre final year students.
- Arranging guest lecture of eminent personalities from Industry & Career Counseling.
- To motivate students aspire for higher studies and guiding them to take competitive exams such as CAT, GATE, TOEFL, GRE, IES, UPSC etc.
- Organizing various activities to improve skills of students for competitive examinations.
- Organizing Faculty Development Workshops.
- Arranging Industrial visits for various departments.
- Arranging Mentor Talks from industry experts

### **Institute Placement Committee**

The placement related activities, at the Institute, are carried out by Placement committee – it comprises of faculties from various departments of the Institute. The committee is headed by Dean, Training & Placements of the Institute. The placement committee is required in every academic year.

### **Student Registration for Placement**

The students who are in their final year and interested in availing placement support from Institute will have to register themselves for placement through the college website once circular is issued. Non interested students for placement do not require registration.

### **Placement Eligibility**

Students who fail to qualify the exams & other formalities at the end of course, shall be removed from the placement process and hence will not be eligible for campus placement

Training & Placement Cell  
BITS-Narsampet  
Warangal-506 331

Principal  
Balaji Institute of Technology & Science  
Laknepally, Mdt: Narsampet,  
Dist. Warangal - 506 331

activities. Any major disciplinary actions will terminate the student from campus placement activities.

### **Placement Process**

Once the recruiter interest in recruitment from the Institute, the students are asked to register their interest for the job. A circular informing about the job opening and its details will be circulated by T & P Cell. Placement cell will try to get as much details as possible about the job profile. The registration of interest is to be done by students in college website, after going through the job profile. Only students who register for that particular job profile will be considered for the job opening. It will be responsibility of a student to keep his/her resumes updated with placement cell. Once the names of students are submitted, student is not allowed to withdraw from the selection process.

### **Guidelines for Placements**

The final placement is governed by certain guidelines, which are framed to facilitate the students to get maximum benefits:

These guidelines are revised from time to time. The guidelines being followed currently are:

- If company is coming for a Pre-placement talk, attending of Pre-Placement talk is compulsory for all the students.
- A student can only withdraw his/her name before the Pre-placement talk.
- Under no circumstances, the students will personally communicate with the companies.
- If the company shortlists/selects a student on the basis of his/her CV, the student has to go through the next steps of the selection process.
- Students have to wear formal dress during the PPT, Group Discussions and Interviews.
- The eligibility of a student, who can apply for the selection in a company, will be determined based only on the specifications/ job profiles offered by the company and as directed by the respective companies.

Training & Placement Cell

Warangal-506 331

Principal  
Balaji Institute of Technology & Science  
Laknepally, Mdi: Narsampet,  
Dist. Warangal - 506 331

- The Placement Cell will try to bring and put forward as many details as possible for the job openings to the students. Students are not permitted to ask for location preferences or negotiate on salary, if it is already disclosed by the company.
- The Institute will not interfere in the selection process of the visiting companies.
- A student can appear for placement for any number of companies until he/she gets selected, and after selection shall be eligible to appear for placement in any one or two other companies with special permission from T & P Cell.
- The student who receives an offer letter from the company shall join the company as per terms of offer letter.
- Students noticed to be underperforming deliberately will be put out of the placement process for the next 5 companies. (Under performance will be verified through the feedback from the company officials)
- All communication related to placements / job openings will be done on the email Id registered with placement cell. It is student's individual responsibility to check the emails on regular basis.
- It will be the responsibility of a student to keep his/her resumes updated with Placement Cell. If any falsification of data or serious misrepresentation of information is found in the CV or registration details of candidate which may influence the chances of selection, he/she will be immediately removed from the placement process.

## ABOUT TRAINING & PLACEMENT CELL

At Balaji Institute of Technology & Science, we always trust in equipping our students with the right talent and personality to face the industry requirements. Our focus is on creating new approaches to attract the best from the industry to our campus. The Placement & Training Cell functions with the primary aim of placing students in best companies even before the course completion and further provides ample opportunities to the students to develop their personality by conducting programs regularly in communication and soft skills with the view of making students Industry-friendly and Industry ready candidates. The Cell is well equipped with ample infrastructure in terms of Seminar Hall, Meeting Hall for Pre Placement Talk, Presentations, etc. We collect the data of the graduating students and maintain a comprehensive database ready for reference of placement drives. The placement cell operates round the year to facilitate contacts between companies and graduates.

It plays a very important and key role in guiding the students of the college for their successful career placement.

### Vision

Equipping the students with appropriate and conceptualized employable skills and steering them towards a value based promising career all around the world.

### Mission

To attain cent percent placement for our students through accurate planning and absolute participation of students

### Planning for Placement

The placement activity is primarily managed by the Placement Committee headed by Dean, Training & Placements of the institute and other committee members which includes Training & Placement Officer and faculties from various programmes.

### Objectives

- Arranging off Campus, Pool Campus and exclusive Campus Recruitment Drives.

Training & Placement Cell  
BITS-Narsampet  
Warangal-506 331.

Principal  
Balaji Institute of Technology & Science  
Laknepally, Mdt: Narsampet,  
Dist. Warangal - 506 331

- Organizing Aptitude & Soft skills Training Programs to prepare our students to face Campus Recruitment process.
- Organizing Mock Group discussion sessions and also Mock Tests to improve their communications skills & interview facing as per the Company specific.
- Communicate with HR Personnel, furnishing Institute profile and resume of the students for the sake of placements.
- Interface between Industries – Institute interactions.
- Arranging periodical aptitude tests for final year & pre final year students.
- Arranging guest lecture of eminent personalities from Industry & Career Counseling.
- To motivate students aspire for higher studies and guiding them to take competitive exams such as CAT, GATE, TOEFL, GRE, IES, UPSC etc.
- Organizing various activities to improve skills of students for competitive examinations.
- Organizing Faculty Development Workshops.
- Arranging Industrial visits for various departments.
- Arranging Mentor Talks from industry experts

### **Institute Placement Committee**

The placement related activities, at the Institute, are carried out by Placement committee – it, comprises of faculties from various departments of the Institute. The committee is headed by Dean, Training & Placements of the Institute. The placement committee is required in every academic year.

### **Student Registration for Placement**

The students who are in their final year and interested in availing placement support from Institute will have to register themselves for placement through the college website once circular is issued. Non interested students for placement do not require registration.

### **Placement Eligibility**

Students who fail to qualify the exams & other formalities at the end of course, shall be removed from the placement process and hence will not be eligible for campus placement

  
**Placement Officer**  
 BITS-Narsampet  
 Warangal-506 331.

  
**Principal**  
 Balaji Institute of Technology & Science  
 Laknepally, Mdl: Narsampet,  
 Dist. Warangal - 506 331

activities. Any major disciplinary actions will terminate the student from campus placement activities.

### **Placement Process**

Once the recruiter interest in recruitment from the Institute, the students are asked to register their interest for the job. A circular informing about the job opening and its details will be circulated by T & P Cell. Placement cell will try to get as much details as possible about the job profile. The registration of interest is to be done by students in college website, after going through the job profile. Only students who register for that particular job profile will be considered for the job opening. It will be responsibility of a student to keep his/her resumes updated with placement cell. Once the names of students are submitted, student is not allowed to withdraw from the selection process.

### **Guidelines for Placements**

The final placement is governed by certain guidelines, which are framed to facilitate the students to get maximum benefits:

These guidelines are revised from time to time. The guidelines being followed currently are:

- If company is coming for a Pre-placement talk, attending of Pre-Placement talk is compulsory for all the students.
- A student can only withdraw his/her name before the Pre-placement talk.
- Under no circumstances, the students will personally communicate with the companies.
- If the company shortlists/selects a student on the basis of his/her CV, the student has to go through the next steps of the selection process.
- Students have to wear formal dress during the PPT, Group Discussions and Interviews.
- The eligibility of a student, who can apply for the selection in a company, will be determined based only on the specifications/ job profiles offered by the company and as directed by the respective companies.

Training & Placement Cell

## Brief Profile of Balaji Institute of Technology and Science

Balaji Institute of Technology and Science, known as BITS is a Premier Institute offering quality education. Within a short span of time the Institution has emerged in Telangana as an entity to reckon with. Magnificent palatial Buildings, serene green Eco friendly environment, state of art world class laboratories are salient features of the Institution. Other prioritized domains are sports and cultural activities at the Institute. Discipline is the hallmark of BITS. It offers various UG & PG courses in Engineering. Students' welfare, academic growth, their placements and overall personality development is the motto. Our philosophy is "Success through Performance".
