The Meet was attended by 115 alumni of batches that graduated from 2005 (First Graduating Batch) to 2016. There was special enthusiasm in the batches graduating from year 2005 to 2016. It was a great pleasure to know about their accomplishments in professional lives. Most of them were visiting their Alma mater for the first time since their graduation, and naturally were thrilled to be back in the campus again. About five alumni attended the Meet with their spouses and were very excited to know that their arrangement was made in the college were they once lived. They very proudly took their families around the campus and showed the places where they lived and spent time.

Many of the Alumni expressed their willingness to help BITS in training, placement, development of modern laboratories, and delivery of expert lectures in emerging areas of technology.

The HODs of each department took them around the various laboratories and other departmental facilities and presented the recent progress and activities. After the presentation, discussion on the future developments with alumni are made and alumni came up with constructive suggestions regarding the syllabus of courses, laboratory development etc.

The evening was devoted to recreation through cultural programmes. The current students have presented folk songs and dances depicting rich cultural heritage of telangana. The alumni were thrilled and electrified when the worthy Hod's & Staff also joined the dancing group. Everyone was moved by the emotions of dancing alumni.
