

6.5.5: INCREMENTAL IMPROVEMENTS MADE DURING THE PRECEDING FIVE YEARS:

To enhance the quality in academic and administrative domains, various IQAC initiatives are implemented incrementally so as to keep in pace with the expectations of stakeholders like students, industry and society. Few are mentioned below:

2018-19:

- The institute has applied for NBA Accreditation for Under Graduate Programmes of Mechanical Engineering, Civil Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering & Computer Science and Engineering. NBA inspection is completed. Results are awaited.
- In view of improvements done in all domains, it is proposed to prepare for betterment of NAAC grade and to apply for Autonomous Status in future.
- It is planned to Conduct of International Conference on specific theme of subject from any one of the department. The department has to take the initiative to organize the conference and make necessary arrangements.
- Lot of emphasis is given to research and innovative work by faculty. There is an increment of publications by faculty in National & International Research Journals. Faculty have published papers in their relevant core subjects and inter disciplinary subjects.
- Assistance for improving employability including entrepreneur training and specialized skill training was provided to students. Due to such continuous efforts, 282 students of all departments were placed in various reputed companies.
- To bridge gap between Industry and Academia, Students were encouraged to join online certification courses of MOOC/NPTEL as suggested by IQAC and to participate in various competitions / conferences for the betterment of student's performance. 28 faculty members could complete all the requirements of NPTEL courses and got online certifications.

- Remedial classes for slow learners, communication Skills classes in English Language lab and Aptitude and soft skills development training by Training & Placement cell have been provided for students in 2018-19 in addition to maintenance of continuous mentoring once in fortnight for progress of students. A well equipped communication Skills lab with state of art facilities is provided to enhance the communication ability of the students.
- In 2018-19, Merit Scholarships are awarded to students who excel in their academics by securing top CGPA in branch level and college level and their examination fee of the JNTUH Semester examinations has been paid by college.
- Digital library Established in the institution for Modernization and computerization of library to meet requirements of research and consultancy works, services to community and industry.
- A phase of developmental initiatives includes Computerization of important documents, Stores and Inventory, data of Library, Examination, Accounts, Admissions, Staff attendance, payrolls and leaves.

2017-18:

- The institute has applied for ISO Certification and got it after due verification.
- The NAAC committee visited and inspected the institute. Consequently The institute is Accredited by NAAC .
- Encouraged by sanctioning of Accreditation by NAAC, the institute has resolved to apply for NBA Accreditation UG Programmes i.e, Mechanical Engineering, Civil Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering & Computer Science and Engineering. Necessary infrastructure and activities are developed.
- As per proposals made by department of Electrical and Electronics Engineering, Balaji Institute of Technology and Science in collaboration with IFERP-18 has conducted the International Conference on Emerging Trends in Engineering, Science and Technologies(ICETEST-18) on 16th and 17th February .
- BITS has signed MOUs with Industries for internships, workshops and placement training.

Principal

**Balaji Institute of Technology & Science
Laknepally, Mdl: Narsampet,
Dist. Warangal - 506 331**

- Specialized skill training was provided to students for campus placements. Our endeavour resulted in placement of 151 students of all departments in different companies.
- Two faculty members have undertaken NPTEL courses and got online certifications.
- As a result of properly planning and implementing Curricula, maintaining Regularity of academic sessions, Class tests and assignments on schedule, our college students secured good marks in the final semester examination.
- Grievance redressing and academic/personal counseling mechanisms are effectively maintained.

2016-17:

- The institute is planning to apply for ISO Certification .
- Due to continuous efforts and strategic plan our students secured good results compared to previous years.
- Identification of employment opportunities for graduates through interaction with apex industry organizations is done to conduct placement activities in our campus. Training and placement cell has provided effective Placement Assistance. As a result 99 students were placed from all departments in renowned industries.
- It is decided by the governing body to apply for NAAC Accreditation.
- Involving institutions on sole or collaborative basis in R&D activities, and Utilizing institutional resources (manpower and physical) for Industrial manpower training.
- Institute got required support from industry for training faculty and students.

2015-16:

- For improving employability including entrepreneurial training, specialized skill training programmes are held. 37 students were selected in campus placements.
- In the Academic year 2015-16, the focus was on up gradation of competence in knowledge and skills for better Teaching at UG/PG Levels, Use of innovative instructional methods, Designing and developing learning resources, Managing systemic

Dist. Warangal - 506 334

reforms like institutional autonomy, interaction with industry and community, developing appropriate cost recovery systems, Improving utilization of institutional resources.

2014-15:

- It is decided to implement Outcome based education in the institute.
- In view to develop institute in all domains, it is proposed to obtain ISO certification & NAAC Accreditation.
- 31 members were placed from all departments in various companies.
- Creating a culture of introducing innovations in teaching-learning process, Strengthening and removal of obsolescence of laboratories & workshop equipment, Networking to enhance functioning capacity, Improving quality and promoting excellence, Improving interface with industry, Recruiting faculty and staff for academic & administrative support in institution and efforts for gaining self-sustenance are monitored effectively for the growth of institution..
- The institute has materialized efforts to improve interface with industry.
