

7.1.10 Number of specific initiatives to address locational advantages and disadvantages during the last five years (5)

Balaji Institute of Technology and Science (BITS) established in the year 2001 in one of the remote area of Narsampet. The main aim of the institution is to provide quality education to the students of rural back ground. Apart from providing education, BITS also takes social responsibility by conducting awareness programs related to various issues, in and around the villages of Narsampet. Students are also motivated to participate in various events, which can help them to make a responsible citizen of India. It also helps the people of rural areas to get awareness over various issues. These activities create awareness to the People of rural areas. Various programs and awareness sessions were conducted to address the nearby village people to understand effectiveness of the issues.

2. Transport Facilities in and around Narsampet - 2001 onwards (Consolidated Report)

Transportation facility to the staff and students was initiated with 10 buses in 2001. Students can avail of this facility by filling an application form to the concern office section. The routes are from Warangal, Kazipet, Madikonda and Bheemaram areas of Warangal City.

On the request of staff and students transportation facility was extended to new routes of Narsampet, Khanapur, Buddaraopet, Bhupathipet.

The Staff and students from Chennaraopet/, and Nekkonda villages requested to avail of the college transport facility, and it is and was extended from the academic year 2016-17.

The college proposed to start a bus facility from Mahabubabad extending Bhupathipet, Gudur, and Mahabubabad from the academic year 2016-17.

The college is located 30 km away from Warangal Railway Station and 5 km from Narsampet Bus Stand. Over 30 Buses are operated from various places of Warangal, Kazipet, and Mahaboobad and Narsampet towns.

5. Hostel facilities for students - Since 2013 till date (Consolidated Report)

Dr. A.Rajendra Prasad Reddy, M.B.B.S; D.G.O, Chairman, Balaji Group of Institutions he visits the campus hostel to monitor the health conditions of the students during his visiting hours.

BITS College is offering a Hostel facility to the students who come from various places. A separate facility for Boys and Girls accommodated within the campus and are running since 2001. A hostel is truly a home away from home. Students of different types of hailing from different regions stay together, representing various traditions, cultures, talents, etc. The hostel gives vast scope for respecting differences of opinions, builds up a healthy union of minds and unites the hearts. The hostel life offers plenty of opportunities for growth, individually and collectively. During the stay in the hostel, the student learns to grow more loveable and capable. Every effort has been made at the Balaji Institute of Technology & Science to provide the best facilities for students who live on campus. Every student has access to a wide range of activities, facilities, and support. Besides the regular hostel dining facilities, there are affordable food services on campus that provide inexpensive and easily accessible lunchtime or evening options.

Report on Drip Irrigation System

- **Drip irrigation** is a type of micro-irrigation system that has the potential to save water and nutrients by allowing water to drip slowly to the roots of plants.
- It delivers water and nutrients directly to the plant's roots zone, in the right amounts, at the right time, so each plant gets exactly what it needs, when it needs it, to grow optimally.
- The importance of the Drip Irrigation System is explained to the Farmers at Laknepally Village, in order to save large amount of water.
- The program was coordinated by Mr. T. Pranay Kumar, Assistant Professor Civil Department.
- Awareness created to the farmers at Fields.
- About 50 farmers were taken up this for Cultivation in their fields.

Report on “Water Conservation”

- An awareness program on “Water conservation” was conducted on 28.12.2018.
- The main aim of this program is to increase the production of agriculture by means of water conservation
- Mr.P. Sudheer , senior faculty of Civil Department has explained how water conservation can help the farmers in cultivation of more than one crop a year. It also increases the ground level of water which in turn makes the soil fertile.
- This program was conducted at Balaji Group chairman sir, native village Nachenapally.
- A presentation was given regarding water conservation and a photo gallery was arranged that shown the importance of preserving water resources.
- Program was coordinated by Mr. T. Pranay Kumar of Civil Department.

REPORT ON- ECO-FRIENDLY GANESHA

- It is important to consider an eco-friendly idol to simply stay away from materials that are harmful to the environment.
- The Institute has taken an initiation to address people to understand about Hazards (when deployed in water), in usage of idols with chemicals.
- To create an awareness about the hazards of usage of Plaster of Paris(PoP) made Ganeshas 1K Run was conducted on 24.08.2017 at Narsampet.
- Principal have given instruction to add seeds in the clay used for making Ganesha so that they can grow into plants.
- Most of the rural people are choosing not to buy Ganesha idols and instead they have decided to create their own Ganeshas from clay after spreading this awareness.

REPORT ON CLEAN AND GREEN PROGRAM

- **Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM)** is a campaign in India that aims to clean up the streets, roads and infrastructure of India's cities, towns, urban and rural areas.
- Cleanliness is next to godliness; with this objective BITS have organised Clean and Green Program on 14.02.2017 at Laknepally.
- Teachers have created awareness among the villages about public and personal hygiene.
- The villagers were educated to dispose the household waste in the dustbins provided at specific places.
- **Telangana Ku Haritha Haram** is flag ship program of the state government aimed at increasing the states green cover to 33%.
- With this objective our Institution have planned Clean and Green Program in Laknepally.
- The villagers and students participated enthusiastically in the program.
- About 500 saplings were planted in the village .
- Tree guards were arranged to facilitate the proper growth of the plants.
- The Sarpanch, ward members, youth committee supported a lot in making the program successful.

REPORT ON SWACHH LAKNEPALLY PROGRAM

- **Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM)** is a nation-wide campaign in India for the period 2014 to 2019 that aims to clean up the streets, roads and infrastructure of India's cities, towns, urban and rural areas.
- The objectives of Swachh Bharat include eliminating open defecation through the construction of household-owned and community-owned toilets and establishing an accountable mechanism of monitoring toilet use.
- Cleanliness is next to godliness; with this objective BITS have organised Clean and Green Program on **13.02.2017** at Laknepally.
- Teachers have created awareness among the villages about public and personal hygiene.
- The drainages were cleaned and the open ponds with stagnant water were filled with mud to prevent the breeding of mosquitoes.
- The villagers were educated to dispose the household waste in the dustbins provided at specific places.
- Open defecation is a hazard which causes infectious diseases; the villagers were educated about this.
- Awareness was created about the usage of Toilets, which prevents water pollution, health hazards and upholds the dignity of women.

REPORT ON – DIGITAL INDIA PROGRAM

The journey of e-Governance initiatives in India took a broader dimension in mid 90's for wider sectoral applications with emphasis on citizen-centric services.

It has been felt that a lot more thrust is required to ensure e-Governance in the country promote inclusive growth that covers electronic services, products, devices and job opportunities. Moreover, electronic manufacturing in the country needs to be strengthened.

The awareness was created among the people who participated in the event.

This program was organised at Girnibhavi Village.

The program was organised by Mr.FAsi Ahmed Parvez, Assistant Professor, CSE Dept, BITS.

REPORT ON – AWARENESS ON FREE DENTAL CHECKUP

The camp was initiated with dental awareness talk, educating students about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them.

The surgeons also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay.

About 50 members of Nachinapally villagers participated in the Program.

This program was organised by Mr.K.Radhakrishna, Assistant Professor, ECE Dept., BITS.
