

### SUMMARY REPORT

Balaji Institute of Technology and Science (BITS) established in the year 2001 in one of the remote area of Narsampet. The main aim of the institution is to provide quality education to the students of rural back ground. Apart from providing education, BITS also takes social responsibility by conducting awareness programs related to various issues, in and around the villages of Narsampet. Chairman of BITS, Dr. A. Rajendra Prasad Reddy garu also adopted a village called Nachenapally for various development activities. Students are also motivated to participate in such kind of events, which can help them to make a responsible citizen of India. It also helps the people of rural areas to get awareness over various issues.

### Report on "Check Dams"

An awareness program on "Check Dams" was conducted on 27.11.2017.

The main aim of this program is to encourage the constructed of Check dams to improve water availability. As and when waste/ unused water flows out of the farmland, then can be collected and be reused later. The same water can be pumped back to the fields when required.

Mr.Dr. M.Palani Sami , HOD of Civil Department has explained how Checkdams are useful to regulate the flow of water as per needs during summer when there is scarcity of water in most parts of Narsampet not fed by summer monsoon.

This program was conducted at Girni Bavi Mandal where there is a scarcity of water will take place during summer.

Mr. P. Venkateshwarlu senior assistant professor of Civil department explained the construction procedure of check dams.

Program was coordinated by Mr. E. Bala Krishna of Civil Department.
