Institution shows gender sensitivity in providing facilities

1. Safety and Security:

Balaji Institute of technology and Science provide social security for all the students especially for girl students by providing the women's grievance cell. In order to maintain safety and security to the girls and women, a cell has been constituted for Redressal of grievances.

HODs or Principal regularly attend to these problems. In addition, there is a Complaint cum Redressal Committee, which resolves the grievances of the students on the campus. Besides, there is an exclusive mechanism to address the issues relating to women and their grievances.

The college has separate grievance cell. <http://www.bitswgl.ac.in/Grievance-Cell.php>

Dist. Warangal - 506 331

2. Counseling:

All students are monitored by counseling for every 15 days. The main focus will be on academics attendance, campus recruitment programs and extracurricular activities, besides of this their problems and issues regarding class and college infrastructure are also noted and solved. Especially for girl students we are allocating lady faculty as counselors so that they feel free to express their problems, not only noting those problems but also solving them.

Girl Student Counseling

3. Common Room:

Common rooms are provided separately for girls and boys who are indicated with the label at the entrance. All common rooms are maintained with all facilities including water; they are cleaned by the sweepers for every 2-3 hours in a day. Our institution provides common rooms with full water facility and convenient to use.
