Students	Students are interested for the departmental library of corporate standards which will be one of the highlights of the department.	Principal accepted to provide a departmental library for each department with textbooks
	They requested about the campus play ground to play Football, Volleyball, Tennis, Kabaddi and Basketball. And also features like well equipped gym and various indoor activities like table tennis, carom, chess etc.	Along with the academic performance, students should have recreation to refresh up their minds so he decided to grant the request of students for compass play ground.
Parents	Parents suggested supporting for extra-curricular activities.	Principal discussed to formulate various clubs through student welfare department.
	They also requested to give information on weekly performance of their child in academics, college regularity and exam results.	Principal insisted the HODs to make councillors work efficiently to improve the student's performance day to day and inform to their parents.
Alumni	Grooming with respect to personality and confidence is needed.	Principal discussed with HOD's to conduct training and placement classes.
	Students need to concentrate on gaining technical knowledge.	Principal suggested everyone to register in NPTEL which will be useful in gaining technical knowledge.
Employers	Need to include skill development programs to bridge the gap between industry and academics.	Skill Improvement Programs are planned and conducted on latest industry relevant areas .
	The students need to have a practical exposure on some of the key areas of their respective streams.	Students were send to Field trips and Industrial Visits to have the required practical exposure and encouraged to attend for internships in reputed industries.
